CHARRED BONES THOSE OF HOG

THAT IS THE CONCLUSION OF AUTHORITIES AFTER INVESTIGATING BUENA VISTA FIRE

FARMER DROPS FROM SIGHT

FRAME-UP SUSPECTED IN AFFAIR WHICH HAD ELEMENTS OF TRAGEDY

The finding of a pile of charred bones in the smoldering ruins of a barn in the town of Buena Vista, on a farm operated by Clarence Dakins, coupled with the disappearance of Mr. Dakins while the fire which destroyed the structure was at its height, led to an investigation today by Sheriff John Berry and Deputy Coroner W. J. Boston.

The sheriff and the deputy coroner, notified of the facts in the case at 9 o'clock this morning, hastened to the Dakins farm, fully expecting to find the bones of Mr. Dakins in the ashes of the barn, with possibly the question of foul play to sift down. What they found was entirely different than what they expected, for instead of the bones of a man, they found the bones of a hog, together with information which convinced them that Clarence Dakins had not perished in the fire, but had apparently fled after taking careful pains to provide a setting which would make it appear as though he had met a tragic death.

Had Seemed Discouraged

Dakins, who was about 40 years of age, has lived in Buena Vista for about 20 years, and at one time was a resident of Stevens Point. In recent years he has operated a farm leased by his uncle, Albert Dakins. There are rumors that there had been family troubles, although not very serious, and it is understood that because of crop failures last year and other reverses, Mr. Dakins' financial condition was a source of worriment to him. The sheriff and deputy coroner learned that about 15 months ago Mr. Dakins left home unexpectedly and was gone for two weeks before notified his family that he was working in Antigo. It is also said Mr. Dakins lately seemed discouraged and had threatened several times to go away and leave his troubles behind.

Tragedy Theory Exploded

When Sheriff Berry and Deputy Coroner Boston arrived at the Fletcher farm this forenoon they found that the theory of a tragedy had already been brushed aside, not only by neighbors of the Dakins family, but by Clarence Dakins' wife and children as well. They carefully examined the bones and satisfied themselves that they were those of a hog, and then proceeded to question members of the family and neighbors.

Harold Dakins, 17-year-old son of Clarence Dakins, gave the most conclusive testimony. He said that his father had gone to the barn about 10 o'clock Wednesday night to attend to a sick horse. The other members of the family retired for the night, the boy said, and about an hour later his father rushed to the house to tell them that the lantern he was using in the barn had exploded, setting fire to the building. The son hastily dressed and on going outside met his father who had driven the farm horses and cattle from the barn and removed some property from the burning building. The father ordered the son to keep watch of the stock so that it would not run back into the barn. The boy did so, and it was while so engaged that he happened to see his father, apparently in great haste, across a field back of and away from the barn and disappear in the woods. That was the last seen of Clarence Dakins.

Bones are Discovered

George Fletcher, a resident of the neighborhood, said he had gone over to the Dakins farm at about 1 o'clock this morning, while the fire was still burning. He and others started among the ruins and found the charred bones.

Two boys of the neighborhood, John Kowalski and Raymond Bennett, also arrived at the scene of the fire soon after the blaze was discovered and saw nothing of Mr. Dakins. Mrs. L. B. Wentworth of Buena Vista, who visited the Dakins farm at about 8 o'clock this morning, who notified the county authorities of the finding of the bones.

Dead Hog Left in Barn

The finding of the bones of the hog recalled, in the mind of Harold Dakins, the fact that recently a hog owned by his father died, and that the latter had told him it had been buried. It now seems probable according to the authorities, that Dakins, in line with his plans for dropping out of sight, kept the carcass of the hog in the barn, covered with straw, with the idea of having the bones pass for those of a man—of himself—after they had been charred in the fire. The bones were gathered up by the sheriff and deputy coroner and brought to the city as "Exhibit A".

No Insurance Claim

It is understood that Dakins carried some life insurance, but if he had expected his family to claim it, he is deemed to disappointment, for his wife and children are all satisfied that he is not dead. There are three children in the family, two boys and a girl, the youngest 12 years of age.

ROADS ARE IMPROVED

DRY WEATHER PUTS HIGHWAYS IN CONDITION—DETOURS ARE REPORTED

During the dry weather of the past week state highways have improved very much, few bad stretches being reported. Some of the detours and new construction, however, are not in very good condition, but none are impassable. Reports of detours and other items received this week follow:

Detours—State Trunk highway No. 10, 1 mile south of Plover, 9 miles south of Merrill. 12, Alma Center-Black River Falls, Wilson-Baldwin, Elkhorn-Lake Geneva. 15, north and south of Oshkosh, north of Duck creek in Brown County. 17, Sheboygan-Haven. 19, Madison-Watertown via Lake Mills, Oconomowoc-Nashotah. 50, Delavan-Lake Geneva. 61, East Troy-Muskwonago. 65, at Center Hill in Lafayette Co. 73, Plainfield-Wisconsin Rapids via Plover. 96, at New Denmark in Brown Co.

New construction—No. 10, Union-Brooklyn Morrisonville-Arlington, at southern in Marquette Co. 12, Kilbourn-Lyndon-Station, Knapp-Baldwin, Blue Mounds-Barneveld. 27, in Buffalo Co. 42, Billeville-New Glarus.

Bad stretches—No. 12, Altoona-Eau Claire. 31, Columbus-Waupun. 100, Stoughton-Janesville.

MAY GO BY FREIGHT TO STATE MEETING

AMERICAN LEGION MEN PLAN BOX CAR RIDE TO EAU CLAIRE—PLAN MEMORIAL DAY

Stevens Point veterans of the World War, members of Romulus Carl Berens Post No. 6, American Legion, may ship themselves to Eau Claire by freight—French style, "40 hommes, 8 chevaux"—to attend the state Legion convention on June 28, 29 and 30.

This proposal was discussed at a meeting of the post Monday evening, held in the community meeting room of the Citizens National bank, and a committee was appointed to see if a freight car can be chartered and coupled to a time freight. Ralph A. Cook and James Crowley were named delegates to the convention and Dr. E. B. Naliborski and Dr. W. R. Cashin as alternates. Many members of the post are planning to attend the big meeting, for which elaborate preparations are being made.

Plans for the observance of Memorial day were also discussed at the meeting and various suggestions made to assist the committee previously appointed in arranging for the program. This committee consists of Dr. F. A. Walters, chairman, Hugh Leonard and B. J. Carpenter. Official Legion markers to be placed on the graves of World War veterans buried in local cemeteries have been received by Adjutant Earl H. Harriman.

Resolutions commending the American Legion's national organization for its efforts in behalf of disabled veterans of the World War were adopted and will be submitted to other local organizations for approval.

The post voted to cooperate in the plan of the assistant state adjutant to have 40 Wisconsin posts purchase from the government a signal corps film showing American soldiers in action in France. If purchased, the film will be exhibited by the various posts.

Adjutant Harriman has received a supply of Victory Medal Application blanks. They can be obtained from Mr. Harriman at the Citizens National bank. The adjutant will also assist in filling out the blanks.

COUNTY BOARD TO MEET 31ST

TO RECEIVE BIDS FOR ERECTION OF PROPOSED ALMS HOUSE NEAR AMHERST JUNCTION

MODERN BUILDING PLANNED

SITE SELECTED OVERLOOKS WATERS OF BEAUTIFUL LAKE EMILY

The Portage County board of supervisors will meet in adjourned session at the court house in Stevens Point at 10 o'clock in the morning of Tuesday, May 31, for the purpose of opening bids for the erection of the proposed alms house near Amherst Junction.

Plans are Approved

Plans and specifications for the building have been prepared by Frank Spalenka, architect, of Stevens Point, and have been approved in their entirety by the Railroad commission and the State Board of Control. Bids will be received on the general construction work, on electric wiring and fixtures, on heating and on plumbing.

Site on Lake Emily

The proposed building under the plans prepared, will be two stories in height, with full basement, modern throughout. The main structure will be 111 feet long and 27 feet 10 inches wide and will be built of concrete and brick. The site selected is in the northeast corner of the county farm, overlooking Lake Emily.

LOCAL DAIRY STORE OPENS ON WEDNESDAY

PETERSON BROTHERS OF NELSONVILLE TO SELL BUTTER AND CREAM FROM TESTED HERDS

The Farmers' Dairy store will be opened to the public in the Strand theater building on Strongs avenue Wednesday. Arthur H. Peterson and Elmer L. Peterson of Nelsonville, brothers, are the proprietors of the store, which will sell butter and cream direct from the farm on the cash and carry basis.

Arthur H. Peterson is the owner of LaPaar farm and Elmer L. Peterson of Usler farm, in Nelsonville. Both have fine herds of Guernsey's which will supply, in part, the demand established by the local store. Only milk and butter from tuberculin tested herds will be sold. Ultimately the Peterson brothers plan to carry a full line of dairy products at this store, including cheese, milk and poultry products.

The Strand theater building has been remodeled for the new business, a new front being installed and a section 22x12 feet in size being partitioned off in front for use as a salesroom. This part has been neatly decorated in white and has been provided with cooling facilities. The back part of the building is for use as a workroom.

Elmer L. Peterson will be in charge of the store, while his brother will look after the source of supply in Nelsonville and vicinity. Both young men have been leaders in the county movement for more and better live stock and are deserving of success in their new venture.

NETTER IS FINED $200

TOWN OF SHARON MAN MUST PAY BIG SUM FOR ILLEGAL FISHING

A fine of $200 and costs of $9.35 were imposed upon Dan Kozieskowski of the town of Sharon in county court Monday afternoon after he had pleaded guilty to a charge of placing and using nets in the Tomorrow river, a trout stream, in the town of Sharon. Complaint in the case was made by Frank Hornberg of Stevens Point, conservation agent. Kozieskowski was given until May 14 to raise the money to pay the fine and costs, and failing in this will be compelled to serve 90 days in the county jail.

CLARK TO REMAIN AS COUNTY AGENT

J. W. DUNEGAN GUARANTEES HIM SALARY BOOST STARTING JULY 1 AND HE WILL STAY

HOPE FOR BOARD ACTION

AGRICULTURAL COMMITTEE TO RECOMMEND LARGER APPROPRIATION FOR 1922

W. W. Clark will continue as county agricultural agent of Portage county.

At a meeting of the county agricultural committee this forenoon, called for the purpose of considering the problem raised by the county board of Marathon county in offering Mr. Clark an attractive proposition to succeed F. G. Swoboda, resigned, as county agent of Marathon county, an agreement was reached by which Mr. Clark will remain here, at least until January 1, 1922.

Offered $4,000 a Year

The proposition put to Mr. Clark by Marathon county called for a salary at the rate of $3,500 a year up to January 1, 1922, and $4,000 a year after that date. His salary in Portage county is at present $3,000 per year. Mr. Clark said that while it was only natural for him to try to do the best he can in the way of salary, he like his work in Portage county and the people he has come into contact with here, and that he would be satisfied to remain if paid at the rate of $3,500 a year beginning July 1, 1921.

Dunegan Guarantees Raise

The committee was agreed that Mr. Clark is too valuable a man to lose, but where to get the money needed to keep him was a "sticker" until J. W. Dunegan, who, though not a member of the committee, had been called in, came across with an offer to guarantee Mr. Clark the increased salary asked from July 1, 1921. Sentiment expressed at the meeting was unanimously in favor of the retention of Mr. Clark at the salary he offered to remain for, and it is hoped that the county board, at its annual meeting next November, will act favorably on the recommendation of the committee that the county agent appropriation be increased for 1922 to raise the salary to $3,500 and thus make it possible to keep Mr. Clark.

Good Man, Good Movement

"Marathon county is a larger county than ours, both as to size and wealth," said Mr. Dunegan to the Journal, discussing the county agent question. "The fact that Mr. Clark was offered the position of county agent there indicates not only that Mr. Clark is recognized as a high class man, but also that the county agent proposition is worth its cost. Mr. Clark has made hundreds of friends for the county agent movement since he has been here and the county could ill afford to lose him."

Mr. Dunegan is without question the most enthusiastic booster for the county agent plan in Portage county, and it was largely because of his efforts that Portage county engaged its first county agent and revived the plan after it had been dropped for a year.

LIBERTY CORNERS AWARDED SUNDAY SCHOOL MEETING

CONVENTION WILL BE HELD THIS YEAR ON MAY 25—COMMITTEES IN SESSION TO MAKE PRELIMINARY PLANS

The twenty-fifth annual convention of the Portage County Sunday school association will be held on May 25 at the Methodist church at Liberty Corners.

This was definitely decided upon at a meeting of members of the program and executive committees of the association in this city on Thursday afternoon. The date for each county convention is set by the state secretary and word announcing the time for Portage county gathering, received here a few days ago, resulted in the making of preliminary plans and definitely selecting the place.

Those in attendance at the Thursday afternoon meeting of committees were Prof. O. W. Neale, president of the association, Miss Lauretta Schilling, secretary, Prof. T. A. Rogers, Mrs. O. W. Neale, Rev. and Mrs. G. M. Calhoun and Prof. V. E. Thompson. A program for this year's convention is being arranged.

The convention last year was held on May 22 at Amherst. It was held at Almond the year before. Liberty Corners was chosen this year when it was learned that interested Sunday school workers there were anxious to get the convention.

ENJOYING VISIT IN EAST

The following is taken from the Fayetteville, N. C., Observer of May 2:

'Mr. and Mrs. Edward McGlachlin of Stevens Point, Wis., who have been visiting at the quarters of Major and Mrs. John S. Hatch at Camp Bragg and in Fayetteville, for several weeks, will leave in a few days for Camp Meade to visit their son, General E. F. McGlachlin, who is in command of that camp. Mrs. Hatch is their granddaughter. Mr. and Mrs. McGlachlin have visited North Carolina several times and express themselves as being highly pleased, not only with the climate but with the Tar Heels they have met—a courteous, kindly people, is the way they speak of the latter."

LOCAL FIRMS NOT TO CLOSE

WEEK-END CELEBRATION IS AIMED TO STIMULATE AND NOT TO HALT BUSINESS IN THE CITY

MOOSE TO BE IN CORTEGE

COSTUMES FOR MOURNERS ARE RECEIVED—LON MYERS MARSHAL OF DAY

Stevens Point and Portage county will celebrate this week end in a manner which will not soon be forgotten. Celebration committees of the Chamber of Commerce, in session Monday afternoon, completed the details of the Friday and Saturday programs and planned a number of additional surprise features.

Aimed primarily to establish closer relations between the rural and city resident and to stimulate business in all fields of endeavor, the celebration will not interfere with business. The question has already been raised as to whether business houses and factories are expected to close this week-end. Secretary F. Leslie Body of the Chamber of Commerce announces that business firms should not close for the celebration, its purpose being to stimulate and not to halt or check business.

Celebrate Friday Night

The program for Friday has been arranged so that the general public of the city will be able to participate without having to take time from its regular duties. Friday's entertainment is scheduled for the evening, beginning shortly after 7 o'clock and continuing until late in the evening when the carnival and its features come to a close.

Moose in Cortege

More than 50 members of the Moose lodge of this city will take part in the funeral cortege which is to appear on principal streets of the city Friday evening. Appropriate costumes have been secured. The men will meet at Bigelow & Mills' hall at 7 o'clock and march down town to join the parade proper, chanting a funeral dirge enroute to the Public square.

Decorate with Flags

In order to create a holiday spirit for the Saturday celebration, Secretary Body requests that flags be displayed in front of residences and business houses. A band will be secured for Saturday concerts. Lon Myers has been chosen as marshal of the day and will also have charge of lining up the several sections in the funeral cortege Friday night. A merry-go-round will be one of the attractions for the boys and girls.

STORES TO HELP ON BOOSTER DAY

LETTER SENT OUT SUGGESTING THEIR PART IN BIG CELEBRATION THIS WEEK-END

HANG CREPE FRIDAY NIGHT

KNOCKER TO DISAPPEAR FOREVER AND BOOSTER TAKE ITS PLACE

Stevens Point stores are being called upon, in a letter just sent out from the Chamber of Commerce offices, to lend their moral as well as financial support to the big booster day celebration scheduled for Friday and Saturday of this week. The letter, addressed in each case to "The Live Wire," follows:

"You can't have an argument without two sides and you can't get an electric current without a negative and a positive.

No More Pessimists

"The point I want to make is this. We have had enough of the negative side of the argument and so much Stevens Point what it should be, we now want a positive. The very idea of this Booster celebration is to arouse everybody to the good, the clear heads and steady nerves to bring things back to normal. We have helped financially and we now want your moral support.

"Just imagine what Stevens Point would be if it was a city of knockers, but 'knockers.' Let this [illegible] have full effect on Friday the 13th.

"Suggestions:

1. Black crape on your door.
2. All [illegible] lights out.
3. All electric signs out. The Knocker will go to his and his dreams.
4. Turn lights on at a given signal.

Relief in Prospect

"Now turn the other way and imagine what your business will be; what the city of Stevens Point would be and what Portage county would be if every man believed in progress; the best for himself and the best for everybody else; and on Saturday the 14th, put this into practice.

Suggestions:

1. Decorate your doors with bright colors.
2. Have your windows clean and clear.
3. Attractive window display in gay colors.
4. All the store bright, cheery and brisk.

The public is now in a receptive mood; give it what is wants.

Change Over Night

"The reason for the contrast is obvious. We want to turn business from the dark to the bright side and it needs the help of every business man in the city, no matter what he deals in and no matter where he is located. Without your help, we cannot make it a thorough going success. We want you in.

"We are not going to dictate as to just what you shall do or how you shall do it. We leave it to your imagination; your confidence and your optimism to give us the best display you can. It is for your own benefit and for the benefit of the city.

"Yours for bigger business,

"F. L. BODY, Secretary."

PLAN BIG ACREAGE OF BEETS ON MARSH

NEARLY EVERY RANCHER TO RAISE CROP THIS SEASON—TO GROW FLAX AS AN EXPERIMENT

Nearly every rancher in the Portage county drainage district will raise one or more acres of beets this season, contracts having already been made for a total of 200 acres, of which 150 will be sugar beets and the other 50 acres of the table variety. Weather conditions in that section which have damaged or destroyed other growing crops have had no effect upon beets, while the soil is said to be almost ideal for the raising of this vegetable. Quite a few acres of flax will also be grown on the "big marsh" this season for experimental purposes.

Entertaining Our Visitors

Last Saturday night in Stevens Point the streets were even more than usually crowded with visitors. Early in the evening no place could be found to park on Main street without going almost to Church street. The cross streets were also filled with cars. Most of these were the cars of visitors who pour into town by the thousands on Saturday night. And they are our own people from close by, mostly Portage county people with a sprinkling from all the edges of surrounding counties. They had finished a week's work and were in town to be entertained.

To provide entertainment for visitors, as well as for home people, is a duty which should be assigned to some committee of the Chamber of Commerce working in co-operation with the city government. We have a lot of entertainment now. We have two movie houses playing the very best attractions. For 30 cents at the Lyric this week a representative of the Journal saw "The Mark of Zorro," the very show, perhaps the very film, he had seen at a Chicago theater for $1.10. Our movie houses cannot be excelled for comfort of buildings and classiness of attractions. We have a number of unusually attractive ice cream stores. We have many good stores of city stocks and city service in which to shop. We would like to see entertainment increased further. At a number of good Wisconsin cities of about our size or less a pavement dance is a big drawing-card every Saturday night all summer. We have the right pavement for it. It could be had in connection with a band concert. A merry-go-round centrally located would be perhaps the most popular entertainment which could be provided for the children. A number of other features could be suggested none of which would cost a great deal of money and could be financed through a moderate collection from the local merchants.

A change which would enhance the city's attractiveness would be a white way. The people naturally love light. They are drawn to it like flies. A city with a glittering white way has in that alone a great attraction for visitors. A white way would mean more people on the streets in the evening. Last winter the proposition of putting in a white way was taken up and was shown to be favored by the council. No action was taken because of lack of money. We hope it will not be dropped. A fair proposition would be for property owners to pay for the standards and the installation and the city generally to furnish the light. Most business houses, we believe, would be willing to pay for putting in the work; it would more than repay them.

We want not only a good town to work in but to live in. Men measure their lives by their good times. Money spent in recreation is seldom regretted, and is least to be regretted. To make the city attractive, so that people will like to come here and our own young people will enjoy staying, is itself a big work, requiring mainly study, with some, not much, expenditure of money.

A Man We Can't Afford to Lose

J. W. Dunegan, who has been back of the county agent proposition from the first with his money and time and to whom more than any other is due the agitation for such an officer being kept up in the days when it seemed impossible to put the plan through, comes forward with a personal guarantee to pay the increased salary necessary to keep W. W. Clark, present county agent, here. Offered a much larger salary in Marathon county, Mr. Clark is willing to stay in Portage county at pay $500 a year less than offered in Marathon, provided he is given some increase here. Offered $1,000 a year advance, he cuts it in two in order to stay. He thus makes a larger sacrifice than anyone else is asked for.

The county board should pay this increase without expecting a citizen to do it. In case the board fails to vote the increase, Mr. Dunegan personally guarantees it. He should not be allowed to do it alone. Maintenance of a county agent means no great personal benefit to him, and if the board does not do what is asked of it, then all of us in town should join him in underwriting the increase.

Mr. Clark is too good a man to lose. He is making good here. His value will increase from year to year he is the best in his line of work, and that's the kind of men we want here.

—"Concrete is being poured today on the 18-foot roadway on No. 10 south of Plover village," says an announcement in the news columns of the Journal. It is important news. It recalls the struggle of years to procure permanent improvement on the trunk line highways in Portage county. It marks the beginning of a new era in road work in Portage county. It may not be many years until all the trunk lines of Portage county are of concrete. Then with all the county highways and the main town roads of good gravel, our road problem will be solved.

INJURED LAD PRESENT

BROKEN ANKLE DOES NOT STOP HIM FROM HAVING RIDE AND SEEING CHAPLIN

Fifty-six orphans, all in the home at the time, came in from Polonia Thursday to see Charley Chaplin play at the Majestic. When Mark E. Bruce asked if there were any more, he was informed by the sisters that one little fellow who had broken his ankle at Plainfield, was in St. Michael's hospital for treatment. Mr. Bruce stopped and picked the boy up. On the return trip he was taken on the ride to Polonia, then was returned by Mr. Bruce to the hospital.

When the children were returned to the orphanage the little fellows and the sisters lined up in front of the building and stood there smiling and waving hands and flags until the drivers leaving their cars were out of sight. The boys were spotlessly clean in freshly laundered waists when taken from the home, but when they returned after a drive through the dusty roads, via Custer, it was different. "We don't mind that," the sisters said, "We'll soon have the dust off them again."

The boys, even those recently arrived from the old country, are all in good physical condition, vigorous and up to standard weight. They get plenty of nourishing food, exercise and sleep. It is the rule that the boys must retire at 7:30 and be up at 6.

Each of the boys took back with him a bag of fruit and candy given him at the theater.

Those who furnished cars for the trip were John M. Donahue, Mark E. Bruce, Russell Gregory, F. W. Leahy, P. J. Jacobs, Carl Haertel, T. M. Otrich, C. A. Joerns, Mrs. W. F. Parker, Robert Kostka and John J. Bukolt.

Mr. Donahue, who is the author of the idea to bring the boys to town, expresses the opinion that there working perhaps through the Chamber of Commerce, to furnish cars for all worthy purposes. Many men can get a few hours off occasionally, a number of women also are good drivers, and whenever needed by charitable organizations, churches, lodges, or for demonstrations or parades, they could be called on, doing a good public work with little expense.

MOVE TO NELSONVILLE

H. J. KANKRUD SELLS PROPERTY HERE AND FAMILY WILL LEAVE CITY SOON

H. J. Kankrud, former superintendent of the county farm near Amherst Junction, who bought the John W. Strope house at 910 Normal avenue a year ago and moved to this city, disposed of his local property this week to Miss Alice Dawson. The Kankrud family expect to vacate about June 1 when they will go to Nelsonville and live on a small farm near the west border of that village. Mr. Kankrud will devote most of his time to the operation of a saw and planing mill at Nelsonville, owned by him and his brother-in-law.

CONCRETE IS POURED

CONSTRUCTION OF NEW 18-FOOT ROADWAY STARTED SOUTH OF PLOVER

Pouring of concrete for the new 18-foot roadway on trunkline No. 10 began at 10:40 o'clock this morning at the starting point south of the village of Plover. Division Engineer F. F. Mengel, County Highway Commissioner T. E. Cauley and County Clerk A. E. Bourn were on hand to see the big mixer dump its first load into the roadway. The gravel, sand and cement is being mixed in the village and is hauled to the scene of oepra-tions in little cars on the industrial railroad the contracting company established. A crane lifts the boxes off the trucks and dumps the contents into the big movable mixer, with water added.

RED CROSS OFFICE HAS BUSY DAYS

REPRESENTATIVE OF FEDERAL BOARD OF VOCATIONAL TRAINING INTERVIEWS APPLICANTS

M. C. Dunn, special representative of district No. 8, federal board for vocational education, spent two busy days the latter part of April at the local Red Cross office, interviewing and rating ex-service men desiring or in need of vocational training.

Mr. Dunn's headquarters are in Chicago and from there he makes many trips through the several states that comprise his district.

The men who apply for vocational training are rated under two classifications, that which provides training for those who are vocationally handicapped by reason or their service in the United States army, including books, tuition, and maintenance from $80 to $150 a month for a period of 5 years if necessary, or that which merely provides books and tuition, accompanied by a small compensation. In the first class, compensation ceases during the periods of vocational training.

A concrete example of a case entitled to vocational training under the first classification is furnished by one of the ex-service men from the city. Previous to entering the army he had earned his living as a day laborer. During an engagement in which he took part the upper part of his right shoulder was blown off. Skillful surgery saved the arm and attached it to the shoulder by the use of silver plates. Though otherwise in perfect health, at the present time he is incapacitated for earning his living as formerly. The action of the government in providing vocational training for this man will enable him to again become self-supporting.

Mr. Dunn interviewed 18 men during his stay here. Ten of these received rating under the first classification, to become operative when their health permits. At present they are unable to do so, being ill with tuberculosis. All are receiving government compensation, one has a sanatorium assignment, the other are receiving care in their own homes, under the supervision, as far a possible, of Miss Hanley, county welfare worker.

Statistics indicate that a majority of the ex-service men, especially those of very little previous schooling, are not co-operating with the government in availing themselves of these wonderful opportunities.

The individual tastes and inclinations of the man are considered as far as it is possible to do so, in placing them in training. It is hoped many more Portage county ex-service men will see the wisdom and necessity for grasping this opportunity. The local Red Cross office stands ready at any time to assist in filing their claims, and the government desires that all claims be made through Red Cross agencies.

Say it with printer's ink.

ARMORY PLANS RECEIVED HERE

PRELIMINARY BLUE PRINTS OF NEW BUILDINGS AT FAIR GROUNDS COMPLETED BY HENGELS

TO BE USEFUL BUILDING

MAIN HALL CAN BE EQUIPPED AS AMPHITHEATER WITH 600 CAPACITY

Blue prints for the combined National Guard armory and stock sales pavilion building to be erected at the fair grounds by the city of Stevens Point have been received by Captain Carl N. Anschuetz, Battery B, Wisconsin National Guard, from Major Henry C. Hengels, state military architect.

To Have Amphitheater

While the blue prints sent here are preliminary and subject to change in details, the general plan will remain. The chief feature of the building will be the hexagonal centre structure, from which the wings will extend. This part will be the drill hall and sales ring, and can be used for various public gatherings. It will be so arranged that temporary bleachers can be erected to accomodate 600 people. The hall will be 80 feet in diameter and the sales ring, after the bleachers are installed, 40 feet in diameter.

Other Features

There will be two cattle barns, 36x 60 feet; a wing for use as a horse barn and forage room, 36 x 96 feet, and a wing for the exclusive use of the battery personnel, 92 x 36 and containing offices, assembly quarters, etc. In addition to the tentative plans is a small wing to contain sanitary toilets for men and women. A blacksmith shop and gun shed will be separate buildings back of the main structure.

The new building will be built in the northwest corner of the fair grounds and will cost approximately 75,000, which amount will be raised by the sale of five per cent bonds. It is hoped to have it completed by the time the Stevens Point fair is held in August.

The preliminary blue prints are now on display in the window of the A. Van Rooy clothing store.

Guard Officers Here

Adjutant General O. Holway and Colonel C. W. Williams, state quartermaster, drove to Stevens Point Friday evening and remained until shortly before noon today, when they started for Camp Douglas. They came here to investigate the armory situation and were pleased to find that project moving so rapidly toward consummation. Colonel Williams remarked that Stevens Point has the best armory site in the state.

Compliment Battery

The two state officers also conferred with Captain Anschuetz regarding a permanent allowance for the battery. They complimented Captain Anschuetz and his assistants for the progress made, saying they had done even better than could be expected.

BIG GUERNSEY SALE AT AMHERST VILLAGE

DATES ARE MAY 25 AND 26—AND MANY HEAD OF CHOICE CATTLE HAVE BEEN CONSIGNED

"The first big sale of purebred and grade Guernsey cattle ever held in Amherst will be staged at the Portage County Advancement grounds on May 25 and 26, under supervision of F. E. Fox of Waukesha, says the Amherst Locate.

Fifty-four registered females and males, 24 registered Guernsey bulls and 25 high class grade cows and heifers will be offered at this sale. This is a choice lot to select from and a large crowd of buyers is expected from different parts of the state. Most of these fine animals have been consigned from splendid herds in this vicinity.

Catalogs have been issued showing the different animals offered and these have been mailed to prospective buyers throughout the state, so that all may have an idea of the choice stock which will be put on the auction block.

On the two days of the sale these animals will be housed in the large tents being erected on the grounds. It will be the best showing of Guernsey cattle ever brought together in Portage county.

The sale will commence at 1 o'clock each day and Auctioneers Love and Benjamin, two experienced men in this line of work, will offer the animals to buyers.

Those who have not already received catalogs may get same by writing to F. E. Fox, sales manager, Waukesha, Wis."

SOCIETY AND WOMEN'S NEWS

To Wed in the West

The Long Beach, Calif., Press of recent issue contains an announcement of the engagement of Miss Bernice Miller to Leon A. Dickey of Santa Ana. The bride was born in Stevens Point and is a daughter of Mr. and Mrs. Ernest O. Miller, who returned to this city for a visit two years ago, to this city for a visit recently. Their daughter visited here two years ago. The Long Beach Press says:

"The week just closing was lent special brilliance by a beautifully appointed party given Saturday afternoon by Mrs. Ernest O. Miller to announce the engagement of her daughter, Bernice, to Leon A. Dickey of Santa Ana. The hostess was assisted by the sister of the groom-elect, Mrs. Walter James Eaton of Saltillo, Coahuila, Mexico.

"Miss Miller is affectionately called 'Bunny' by her intimate friends. Accordingly the hostesses carried out the thought implied by this name and used cunning little bunny rabbits as the motif for the decorations, games and refreshments. After the games, with Miss Virginia Neff winner of the prize, a beautiful cut glass basket of flowers, and Mrs. Denson W. Gee consoled with a toy rabbit, a delicious luncheon was served. At each place was discovered a tiny bunny sitting on his haunches and bearing in his outstretched paws a scroll, which on being opened was found to bear the inscription—'Bunny-Dickey Company, after June 28th, Santa Ana, Calif.'

"There was everything to make the occasion a happy one—bowls and vases containing pink blush roses and pink carnations; charming little May baskets hanging from the chandeliers; clever Bunny cutouts peeping out from every nook and corner a May pole in the center of the dining table, with daintily costumed kewpies holding gay streamers in outstretched hands.

"A thoughtful and unusual surprise was introduced at the conclusion of the lively games, when Mrs. Miller, the honoree's mother presented her with an elaborate May basket, containing a varied assortment of spices and useful household staples. In the bottom of the basket was discovered a guest book in which all present registered their good wishes and regards for Miss 'Bunny.'"

Cassidy-Zei

At St. Joseph's Catholic church at 8 a. m. Monday, Rev. H. J. Ehr officiating, Miss Kathryn Zei became the bride of Joseph P. Cassidy. The double ring service was used and special music was rendered by children of St. Joseph's school.

The bride, who is a daughter of Mrs. Elizabeth Zei, 705 Illinois avenue, wore a suit of blue tricotine with a corsage bouquet of white roses and sweet peas. She was attended by her sister, Miss Elizabeth Zei, who also wore a suit of blue tricotine with a bouquet of pink roses and sweet peas. John Cassidy, brother of the groom, was best man. The groom is a son of Mr. and Mrs. Patrick Cassidy, 711 Elk street.

A three course wedding breakfast was served to 20 relatives of the couple at the home of the bride's mother at 9 o'clock. Mr. and Mrs. Cassidy left on a morning train for Beloit and Neenah to spend a week with relatives. Upon their return to Stevens Point they will reside at 637 Water street, where a home has been completely furnished for them.

The bride has been employed for several years by the Frost Fishing Tackle company. She is a graduate of St. Joseph's parochial school. Mr. Cassidy is a carpenter in the repair department of the Soo line here. He is a graduate of St. Stephen's parochial school and later attended the Stevens Point High school, withdrawing to enlist in Battery E of this city in which he served during the war.

Sharafinski-Palasch

Miss Jennie Palasch, daughter of Mr. and Mrs. John Palasch of Buena Vista, and Joseph Sharafinski, Jr., son of Mr. and Mrs. Joseph Sharafinski of the town of Stockton, were married at 9 o'clock Tuesday at St. Mary's church at Pancher. The ceremony was performed by Rev. J. Chyliński.

The bride wore a gown of white charmeuse and a veil and carried a shower bouquet of roses. The bridesmaids were Miss Frances Pawloski and Miss Rose Sharafinski, cousin and sister of the groom respectively. Miss Pawloski wore lavender organdie with a picture hat to match and a corsage bouquet of carnations and sweet peas. Miss Sharafinski wore a gown of light green organdie with a hat to match, and a corsage bouquet of carnations and sweet peas. The groomsmen were Frank Sharafinski and Frank Kosbot, brother of the groom and uncle of the bride respectively.

A wedding dinner was served at the Palasch home in Buena Vista followed by a supper in the evening. Invitations were extended to members of 75 families. A dancing party will be held this evening following the supper at Stoltzville hall. The couple will leave in a week for Milwaukee, where they will make their future home. The groom has been employed by Swift & Company there. The bride, prior to six weeks ago, was also employed in Milwaukee.

Garrett-Holtz

The Amherst Advocate contains the following:

"Miss Mabel A. Holtz and Jack Garrett both of New Rome, Adams county, were married Wednesday, April 27 at 11:30 a. m. at the home of the bride's parents, Mr. and Mrs. Ed. Holtz, Rev. Radtke, pastor of the Lutheran church at Keller officiating.

"They were attended by Miss Florence Kussman, a friend of the bride, of near Amherst and Leslie Holtz, brother of the bride. The bride wore a pretty gown of pekin blue crepe de chine and a corsage bouquet of sweet peas and ferns.

"Immediately after the ceremony a wedding dinner was served to a few near relatives and friends of the bride and groom.

"The bride is an only daughter of Mr. and Mrs. Ed. Holtz, former residents of this village.

"The newly married couple will make their home with the bride's parents on their farm."

Ruhland-Firkus

Miss Bertha Firkus, daughter of Mr. and Mrs. Anton Firkus, 408 Portage street, and Joseph Ruhland of this city, formerly of Milwaukee, were married at St. Peter's church Tuesday morning at 8 o'clock by Rev. S. A. Elbert. They were attended by Miss Helen Stroik and Leo Firkus, the latter a brother of the bride.

The bride wore a gown of white satin trimmed with silver lace and carried a shower bouquet of carnations and roses. Miss Stroik wore yellow organdie with a hat to match, and a corsage bouquet of carnations and roses.

A wedding dinner was served at the Firkus home at noon to 25 relatives and friends and Mr. and Mrs. Ruhland left on an afternoon train for Milwaukee, Chicago and Racine. They will be gone a week. The groom is employed as a shipping clerk at the local factory of the Mi Lois Cigar company. His bride has been employed there until recently.

Peterson-Schoonover

Miss Maude M. Schoonover, daughter of Mr. and Mrs. Richard Schoonover, of Amherst, and Vernon L. Peterson, son of Mr. and Mrs. Andrew Peterson of Fond du Lac, were quietly married at St. Paul's Methodist parsonage on Thursday evening at 5:30 o'clock, Rev. G. M. Calhoun performing the ceremony. The couple were unattended. Mr. and Mrs. Peterson will reside at Fond du Lac where the groom holds a position as a dispatcher for the Soo line.

Playman-Alton

Fred M. Playman and Miss Ethel M. Alton were quietly married by Rev. James Blake at the Baptist parsonage Tuesday at 5 p. m. They had no attendants. Mr. Playman is well known as a contrator and has his home on Clark street. Mrs. Playman has been a successful teacher and came here a year or so ago to complete her studies in the Normal school.

Mels-Mielke

Mrs. Theresa Mielke of Glidden, Wis., and William Mels of this city were quietly married at 9 o'clock Monday evening at the home of Mr. and Mrs. Arthur Sherman, 715 Church street. The ceremony was performed by Rev. R. Hudtloff, pastor of St. Paul's Evangelical Lutheran church. The couple were unattended.

Mr. and Mrs. Mels have begun housekeeping at 1233 Church street. The groom is a freight conductor on the Soo line and has been rooming at the Sherman home.

Amherst Women Guests

Lillian Review No. 14, W. B. A., of the Maccabees, entertained at a 6 o'clock dinner at Odd Fellows' hall on North Third street Wednesday evening in honor of Amherst Review No. 67, which was represented by 40 women who came to Stevens Point for the affair. Eighty women were in attendance in all.

A musical program was carried out during the meal, which included vocal solos by Miss Blanche Silverman, who was accompanied on the piano by Miss Ida Kalisky and solo numbers by Miss Leslie Kankrud, who was accompanied by her sister, Miss Evelyn Kankrud. Miss Silverman is employed in Milwaukee but is spending a vacation at her home here.

Cards were played following the banquet, high score for the Amherst delegation being won by Mrs. Linna Johnson and high score for the entire party by Miss Ruby Hoffman of Amherst.

Picnic Dinner

A social, an enjoyable gathering, was held at Clara Isherwood's and Mrs. J. R. Grant's home, Sunday May 1. The following guests were present and enjoyed a bountiful picnic dinner: Mr. and Mrs. R. Newby and family, Mr. and Mrs. J. Herman, Mr. and Mrs. A. Erdman and family, Mrs. F. Taylor, Mrs. A. Bell and Mrs. N. Yorton, all of Stevens Point; Mrs. B. Preville and daughter, Eau Claire; A. Hetzel and family, Spencer; Mr. and Mrs. F. McGown, Mrs. J. Langton and daughter, Mr. and Mrs. L. McGown and family, Mr. and Mrs. F. Taylor, Sr., Mr. and Mrs. F. Taylor, Jr., and family, Mr. and Mrs. L. Durocher and family, Mr. and Mrs. R. Altenburg and family, Mr. and Mrs. B. Batson and family, Mr. and Mrs. W. Taylor and daughter, Mr. and Mrs. Geo. Isherwood and son, Mrs. Ellen Edwards and Mrs. H. Prain, all of Plover. There were 57 guests at the dinner.

Entertain For Pastor

Mr. and Mrs. F. D. Reynolds entertained the members of the Session of the Presbyterian church, and their wives, at dinner Monday evening at 6:30 o'clock in honor of Rev. Charles Sumner Pier, who arrived recently from Chicago to take charge of the Presbyterian church in this city.

The guests included Rev. Mr. Pier, W. J. Shumway, and Messrs. and Mesdames C. H. McCreedy, J. V. Collins, H. C. Welty, A. H. Halstead, and V. E. Thompson.

The hostess was assisted in serving by her sisters, Mrs. W. B. Buckingham and Mrs. R. K. McDonald.

Hold Spelling Contest

A spelling contest for the town of Carson took place Friday evening, May 6, at the Grover school, district No. 10. Miss Irene Klein of this city is the teacher. Five schools were represented in the contest, which was conducted by Miss Alice Gordon, county superintendent of schools. Grant Verhulst was chairman of the evening. A program given by the schools represented, followed. The contest was won by Miss Margaret Olsen, who represented district No. 10, Grover school.

Ladies of McDill and vicinity who were hostesses at a social held at Mrs. Aaron Porter's home Thursday afternoon and evening are highly gratified over the success of the affair, a large number attending and the neat sum of $45.55 was received. This money will be expended in repairing the fence and having other work done at the McDill cemetery.

AGRICULTURAL NOTES
By the County Agent

Over two hundred bottles of soy bean inoculation have arrived at the office for sale to soy bean growers in Portage county. They are put up by the College of Agriculture and sold at cost, 25c per bottle. One bottle is enough to inoculate half a bushel of soy beans. Farmers can get this material by calling at the office in the court house or at the banks at Almond and Bancroft.

Large growers of soy beans have already begun to plant. Men who have only a small acreage may delay a few days without injury—in fact, last year late planted beans yielded better than the early ones. For hay as well as seed, northern grown seed is recommended. Ito San is a variety larger and later than Early Black which is good for hay or silage with corn. It has yellow seed. It will be ready to cut for hay before Mammoth Yellow and will have more feeding value than the latter. It is easier to cure for hay. Early Black is still our standard variety and the only one of which northern grown seed is easily procured. It will produce hay even when planted up to the middle of June or later.

The first annual sale of the Waupaca Guernsey Breeders' association held at Waupaca on May 5, was well attended. The weather was favorable and the offerings brought good prices considering present conditions. A number of buyers from outside Waupaca county were active bidders.

Prices for grade Guernseys seem to be holding a fairly good average. The highest price received for grades in a long time in this part of the state was paid by John Frederickson of Blair, Wis., recently. Four cows from Matt Domaszek and one from Bernard Waller brought $200 each, and since the buyer probably intended to re-sell them it is evident that some purchasers are willing to pay for quality and production. These cows have been under test in the Nelsonville-Amherst sow testing association and their capacity for production cannot be questioned, which is undoubtedly the reason for the price they brought.

Several carloads of grade Guernseys have been shipped from around Amherst recently by buyers. Prices paid ran from $65 up. A buyer for a certified milk plant near Detroit bought two federal accredited herds near Waupaca last week, paying $150 straight through.

Portage county Guernsey men will hold their first annual purebred sale on Wednesday, May 25, to be followed by a sale of grade females and purebred bulls on the next day. The animals are all of excellent quality and many of the purebred females sold the first day have A. R. records or are from A. R. dams. It is felt that the average quality of offerings is above the usual run of county sales, as it is undisputed that Portage county's Guernsey herds will rank high among Wisconsin's holdings of this breed.

Holstein men in the county are busy organizing for the betterment of their breed and general dairy conditions in several localities in the county. Rudolph, Junction City, Rosholt, New Hope and Buena Vista have already organized local Holstein clubs and have planned work for this season. Three other localities are considering the plan of organizing. Buena Vista met recently and appointed committees on cow-testing associations and on purchase of feed. They will cooperate with Guernsey and Jersey breeders in both matters.

Kenesaw Mountain is in Georgia.

Kenesaw mountain is in Cobb county, Ga., 25 miles northwest of Atlanta. It was the scene of fighting between the federals under Sherman and the Confederates under Johnston in June, 1864.

Entertaining Our Visitors

Last Saturday night in Stevens Point the streets were even more than usually crowded with visitors. Early in the evening no place could be found to park on Main street without going almost to Church street. The cross streets were also filled with cars. Most of these were the cars of visitors who pour into town by the thousands on Saturday night. And they are our own people from close by, mostly Portage county people with a sprinkling from all the edges of surrounding counties. They had finished a week's work and were in town to be entertained.

To provide entertainment for visitors, as well as for home people, is a duty which should be assigned to some committee of the Chamber of Commerce working in co-operation with the city government. We have a lot of entertainment now. We have two movie houses playing the very best attractions. For 30 cents at the Lyric this week a representative of the Journal saw "The Mark of Zorro," the very show, perhaps the very film, he had seen at a Chicago theater for $1.10. Our movie houses cannot be excelled for comfort of buildings and classiness of attractions. We have a number of unusually attractive ice cream stores. We have many good stores of city stocks and city service in which to shop. We would like to see entertainment increased further. At a number of good Wisconsin cities of about our size or less a pavement dance is a big drawing-card every Saturday night all summer. We have the right pavement for it. It could be had in connection with a band concert. A merry-go-round centrally located would be perhaps the most popular entertainment which could be provided for the children. A number of other features could be suggested, none of which would cost a great deal of money and could be financed through a moderate collection from the local merchants.

A change which would enhance the city's attractiveness would be a white way. The people naturally love light. They are drawn to it like flies. A city with a glittering white way has in that alone a great attraction for visitors. A white way would mean more people on the streets in the evening. Last winter the proposition of putting in a white way was taken up and was shown to be favored by the council. No action was taken because of lack of money. We hope it will not be dropped. A fair proposition would be for property owners to pay for the standards and the installation and the city generally to furnish the light. Most business houses, we believe, would be willing to pay for putting in the work; it would more than repay them.

We want not only a good town to work in but to live in. Men measure their lives by their good times. Money spent in recreation is seldom regretted, and is least to be regretted. To make the city attractive, so that people will like to come here and our own young people will enjoy staying, is itself a big work, requiring mainly study, with some, not much, expenditure of money.

A Man We Can't Afford to Lose

J. W. Dunegar, who has been back of the county agent proposition from the first with his money and time and to whom more than any other is due the agitation for such an officer being kept up in the days when it seemed impossible to put the plan through, comes forward with a personal guarantee to pay the increased salary necessary to keep W. W. Clark, present county agent, here. Offered a much larger salary in Marathon county, Mr. Clark is willing to stay in Portage county at pay $500 a year less than offered in Marathon, provided he is given some increase here. Offered $1,000 a year advance, he cuts it in two in order to stay. He thus makes a larger sacrifice than anyone else is asked for.

The county board should pay this increase without expecting a citizen to do it. In case the board fails to vote the increase, Mr. Dunegan personally guarantees it. He should not be allowed to do it alone. Maintenance of a county agent means no great personal benefit to him, and if the board does not do what is asked of it, then all of us in town should join him in underwriting the increase.

Mr. Clark is too good a man to lose. He is making good here. His value will increase from year to year. He is the best in his line of work, and that's the kind of men we want here.

—"Concrete is being poured today on the 18-foot roadway on No. 10 south of Plover village," says an announcement in the news columns of the Journal. It is important news. It recalls the struggle of years to procure permanent improvement on the trunk line highways in Portage county. It marks the beginning of a new era in road work in Portage county. It may not be many years until all the trunk lines of Portage county are of concrete. Then with all the county highways and the main town roads of good gravel, our road problem will be solved.

INJURED LAD PRESENT

BROKEN ANKLE DOES NOT STOP HIM FROM HAVING RIDE AND SEEING CHAPLIN

Fifty-six orphans, all in the home at the time, came in from Polonia Thursday to see Charley Chaplin play at the Majestic. When Mark E. Bruce asked if there were any more, he was informed by the sisters that one little fellow who had broken his ankle at Plainfield, was in St. Michael's hospital for treatment. Mr. Bruce stopped and picked the boy up. On the return trip he was taken on the ride to Polonia, then was returned by Mr. Bruce to the hospital.

When the children were returned to the orphanage the little fellows and the sisters lined up in front of the building and stood there smiling and waving hands and flags until the drivers leaving their cars were out of sight. The boys were spotlessly clean in freshly laundered waists when taken from the home, but when they returned after a drive through the dusty roads, via Custer, it was different. "We don't mind that," the sisters said. "We'll soon have the dust off them again."

The boys, even those recently arrived from the old country, are all in good physical condition, vigorous and up to standard weight. They get plenty of nourishing food, exercise and sleep. It is the rule that the boys must retire at 7:30 and be up at 6.

Each of the boys took back with him a bag of fruit and candy given him at the theater.

Those who furnished cars for the trip were John M. Donahue, Mark E Bruce, Russell Gregory, F. W. Leahy, P. J. Jacobs, Carl Haertel, T. M. Otrich, C. A. Joerns, Mrs. W. F. Parker, Robert Kostka and John J. Bukolt.

Mr. Donahue, who is the author of the idea to bring the boys to town, expresses the opinion that there working perhaps through the Chamber of Commerce, to furnish cars for all worthy purposes. Many men can get a few hours off occasionally, a number of women also are good drivers, and whenever needed by charitable organizations, churches, lodges, or for demonstrations or parades, they could be called on, doing a good public work with little expense.

MOVE TO NELSONVILLE

H. J. KANKRUD SELLS PROPERTY HERE AND FAMILY WILL LEAVE CITY SOON

H. J. Kankrud, former superintendent of the county farm near Amherst Junction, who bought the John W. Strope house at 910 Normal avenue a year ago and moved to this city, disposed of his local property this week to Miss Alice Dawson. The Kankrud family expect to vacate about June 1 when they will go to Nelsonville and live on a small farm near the west border of that village. Mr. Kankrud will devote most of his time to the operation of a saw and planing mill at Nelsonville, owned by him and his brother-in-law.

CONCRETE IS POURED

CONSTRUCTION OF NEW 18-FOOT ROADWAY STARTED SOUTH OF PLOVER

Pouring of concrete for the new 18-foot roadway on trunkline No. 10 began at 10:40 o'clock this morning at the starting point south of the village of Plover. Division Engineer F. F. Mengel, County Highway Commissioner T. E. Cauley and County Clerk A. E. Barn were on hand to see the big mixer dump its first load into the roadway. The gravel, sand and cement is being mixed in the village and is hauled to the scene of operations in little cars on the industrial railroad the contracting company established. A crane lifts the boxes off the trucks and dumps the contents into the big movable mixer, with water added.

English Titles of Nobility.

The rank of earl was introduced into England at the time of the Conquest and succeeded the Saxon earldom. It continued the highest rank in England until 1337 and Richard II created dukes in 1337 and Richard II created marquisses in 1387, both being superior to earls.

RED CROSS OFFICE HAS BUSY DAYS

REPRESENTATIVE OF FEDERAL BOARD OF VOCATIONAL TRAINING INTERVIEWS APPLICANTS

M. C. Dunn, special representative of district No. 8, federal board for vocational education, spent two busy days the latter part of April at the local Red Cross office, interviewing and rating ex-service men desiring or in need of vocational training.

Mr. Dunn's headquarters are in Chicago and from there he makes many trips through the several states that comprise his district.

The men who apply for vocational training are rated under two classifications, that which provides training for those who are vocationally handicapped by reason of their service in the United States army, including books, tuition, and maintenance from $80 to $150 a month for a period of 5 years if necessary, or that which merely provides books and tuition, accompanied by a small compensation. In the first class, compensation ceases during the periods of vocational training.

A concrete example of a case entitled to vocational training under the first classification is furnished by one of the ex-service men from the city. Previous to entering the army he had earned his living as a day laborer. During an engagement in which he took part the upper part of his right shoulder was blown off. Skillful surgery saved the arm and attached it to the shoulder by the use of silver plates. Though otherwise in perfect health, at the present time he is incapacitated for earning his living as formerly. The action of the government in providing vocational training for this man will enable him to again become self-supporting.

Mr. Dunn interviewed 18 men during his stay here. Ten of these received rating under the first classification, to become operative when their health permits. At present they are unable to do so, being ill with tuberculosis. All are receiving government compensation, one has a sanatorium assignment, the other are receiving care in their own homes, under the supervision, as far as possible, of Miss Hanley, county welfare worker.

Statistics indicate that a majority of the ex-service men, especially those of very little previous schooling, are not co-operating with the government in availing themselves of these wonderful opportunities.

The individual tastes and inclinations of the man are considered as far as it is possible to do so, in placing them in training. It is hoped many more Portage county ex-service men will see the wisdom and necessity for grasping this opportunity. The local Red Cross office stands ready at any time to assist in filing their claims, and the government desires that all claims be made through Red Cross agencies.

ARMORY PLANS RECEIVED HERE

PRELIMINARY BLUE PRINTS OF NEW BUILDINGS AT FAIR GROUNDS COMPLETED BY HENGELS

TO BE USEFUL BUILDING

MAIN HALL CAN BE EQUIPPED AS AMPHITHEATER WITH 600 CAPACITY

Blue prints for the combined National Guard armory and stock sales pavilion building to be erected at the fair grounds by the city of Stevens Point have been received by Captain Carl N. Anschuetz, Battery B, Wisconsin National Guard, from Major Henry C. Hengels, state military architect.

To Have Amphitheater

While the blue prints sent here are preliminary and subject to change in details, the general plan will remain. The chief feature of the building will be the hexagonal centre structure, from which the wings will extend. This part will be the drill hall and sales ring, and can be used for various public gatherings. It will be so arranged that temporary bleachers can be erected to accomodate 600 people. The hall will be 80 feet in diameter and the sales ring, after the bleachers are installed, 40 feet in diameter.

Other Features

There will be two cattle barns, 36x 150 feet; a wing for use as a horse barn and forage room, 36 x 96 feet, and a wing for the exclusive use of the battery personnel, 92 x 36 and containing offices, assembly quarters, etc. An addition to the tentative plans is a small wing to contain sanitary toilets for men and women. A blacksmith shop and gun shed will be separate buildings back of the main structure.

The new building will be built in the northwest corner of the fair grounds and will cost approximately $25,000, which amount will be raised by the sale of five per cent bonds. It is hoped to have it completed by the time the Stevens Point fair is held in August.

The preliminary blue prints are now on display in the window of the V. A. Van Rooy clothing store.

Guard Officers Here

Adjutant General O. Holway and Colonel C. W. Williams, state quartermaster, drove to Stevens Point Friday evening and remained until shortly before noon today, when they started for Camp Douglas. They came here to investigate the armory situation and were pleased to find that project is moving so rapidly toward consummation. Colonel Williams remarked that Stevens Point has the best armory site in the state.

Compliment Battery

The two state officers also conferred with Captain Anschuetz regarding a permanent allowance for the battery. They complimented Captain Anschuetz and his assistants for the progress made, saying they had done even better than could be expected.

BIG GUERNSEY SALE AT AMHERST VILLAGE

DATES ARE MAY 25 AND 26—AND MANY HEAD OF CHOICE CATTLE HAVE BEEN CONSIGNED

"The first big sale of purebred and grade Guernsey cattle ever held in Amherst will be staged at the Portage County Advancement grounds on May 25 and 26, under supervision of F. E. Fox of Waukesha, says the Amherst Advocate.

"Fifty-four registered females and males, 24 registered Guernsey bulls and 25 high class grade cows and heifers will be offered at this sale. This is a choice lot to select from and a large crowd of buyers is expected from different parts of the state. Most of these fine animals have been consigned from splendid herds in this vicinity.

"Catalogs have been issued showing the different animals offered and these have been mailed to prospective buyers throughout the state, so that all may have an idea of the choice stock which will be put on the auction block.

"On the two days of the sale these animals will be housed in the large tables being erected on the grounds and it will be the best showing of Guernsey cattle ever brought together in Portage county.

"The sale will commence at 1 o'clock on each day and Auctioneers Love and Benjamin, two experienced men in this line of work, will offer the animals to buyers.

"Those who have not already received catalogs may get same by writing to F. E. Fox, sales manager, Waukesha, Wis."

SOCIETY AND WOMEN'S NEWS

To Wed in the West

The Long Beach, Calif., Press of recent issue contains an announcement of the engagement of Miss Bernice Miller to Leon A. Dickey of Santa Ana. The bride was born in Stevens Point and is a daughter of Mr. and Mrs. Ernest O. Miller, who returned to this city for a visit two years ago, to this city for a visit recently. Their daughter visited here two years ago. The Long Beach Press says:

"The week just closing was lent special brilliance by a beautifully appointed party given Saturday afternoon by Mrs. Ernest O. Miller to announce the engagement of her daughter, Bernice, to Leon A. Dickey of Santa Ana. The hostess was assisted by the sister of the groom-elect, Mrs. Walter James Eaton of Saltillo, Coahuila, Mexico.

"Miss Miller is affectionately called 'Bunny' by her intimate friends. Accordingly the hostesses carried out the thought implied by this name and used cunning little bunny rabbits as the motif for the decorations, games and refreshments. After the games, with Miss Virginia Neff winner of the prize, a beautiful cut glass basket of flowers, and Mrs. Denson W. Gee consoled with a toy rabbit, a delicious luncheon was served. At each place was discovered a tiny bunny sitting on his haunches and bearing in his outstretched paws a scroll, which on being opened was found to bear the inscription—'Bunny-Dickey Company, after June 28th, Santa Ana, Calif.'

"There was everything to make the occasion a happy one—bowls and vases containing pink blush roses and pink carnations; charming little May baskets hanging from the chandeliers; clever Bunny cutouts peeping out from every nook and corner a May pole in the center of the dining table, with daintily costumed kewpies holding gay streamers in outstretched hands.

"A thoughtful and unusual surprise was introduced at the conclusion of the lively games, when Mrs. Miller, the honoree's mother presented her with an elaborate May basket, containing a varied assortment of spices and useful household staples. In the bottom of the basket was discovered a guest book in which all present registered their good wishes and regards for Miss 'Bunny.' "

Cassidy-Zei

At St. Joseph's Catholic church at 8 a. m. Monday, Rev. H. J. Ehr officiating, Miss Kathryn Zei became the bride of Joseph P. Cassidy. The double ring service was used and special music was rendered by children of St. Joseph's school.

The bride, who is a daughter of Mrs. Elizabeth Zei, 705 Illinois avenue, wore a suit of blue tricotine with a corsage bouquet of white roses and sweet peas. She was attended by her sister, Miss Elizabeth Zei, who also wore a suit of blue tricotine with a bouquet of pink roses and sweet peas. John Cassidy, brother of the groom, was best man. The groom is a son of Mr. and Mrs. Patrick Cassidy, 711 Elk street.

A three course wedding breakfast was served to 20 relatives of the couple at the home of the bride's mother at 9 o'clock. Mr. and Mrs. Cassidy left on a morning train for Beloit and Neenah to spend a week with relatives. Upon their return to Stevens Point they will reside at 637 Water street, where a home has been completely furnished for them.

The bride has been employed for several years by the Frost Fishing Tackle company. She is a graduate of St. Joseph's parochial school. Mr. Cassidy is a carpenter in the repair department of the Soo line here. He is a graduate of St. Stephen's parochial school and later attended the Stevens Point High school, withdrawing to enlist in Battery E of this city in which he served during the war.

Sharafinski-Palash

Miss Jennie Palash, daughter of Mr. and Mrs. John Palash of Buena Vista, and Joseph Sharafinski, Jr., son of Mr. and Mrs. Joseph Sharafinski of the town of Stockton, were married at 9 o'clock Tuesday at St. Mary's church at Fancher. The ceremony was performed by Rev. J. Chylinski.

The bride wore a gown of white charmeuse and a veil and carried a shower bouquet of roses. The bridesmaids were Miss Frances Pawleski and Miss Rose Sharafinski, cousin and sister of the groom respectively. Miss Pawleski wore lavender organdie with a picture hat to match and a corsage bouquet of carnations and sweet peas. Miss Sharafinski wore a gown of light green organdie with a hat to match, and a corsage bouquet of carnations and sweet peas. The groomsmen were Frank Sharafinski and Frank Konkol, brother of the groom and uncle of the bride respectively.

A wedding dinner was served at the Palash home in Buena Vista followed by a supper in the evening. Invitations were extended to members of 75 families. A dancing party will be held this evening following the supper at Steitzville hall. The couple will leave in a week for Milwaukee, where they will make their future home. The groom has been employed by Swift & Company there. The bride, prior to six weeks ago, was also employed in Milwaukee.

Garrett-Holtz

The Amherst Advocate contains the following:

"Miss Mabel A. Holtz and Jack Garrett both of New Rome, Adams county, were married Wednesday, April 27 at 11:30 a. m. at the home of the bride's parents, Mr. and Mrs. Ed. Holtz, Rev. Radtke, pastor of the Lutheran church at Keller officiating.

"They were attended by Miss Florence Kussman, a friend of the bride, of near Amherst and Leslie Holtz, brother of the bride. The bride wore a pretty gown of pekin blue crepe de chine and a corsage bouquet of sweet peas and ferns.

"Immediately after the ceremony a wedding dinner was served to a few near relatives and friends of the bride and groom.

"The bride is an only daughter of Mr. and Mrs. Ed. Holtz, former residents of this village.

"The newly married couple will make their home with the bride's parents on their farm."

Ruhland-Firkus

Miss Bertha Firkus, daughter of Mr. and Mrs. Anton Firkus, 408 Portage street, and Joseph Ruhland of this city, formerly of Milwaukee, were married at St. Peter's church Tuesday morning at 8 o'clock by Rev. S. A. Elbert. They were attended by Miss Helen Stroik and Leo Firkus, the latter a brother of the bride.

The bride wore a gown of white satin trimmed with silver lace and carried a shower bouquet of carnations and roses. Miss Stroik wore yellow organdie with a hat to match, and a corsage bouquet of carnations and roses.

A wedding dinner was served at the Firkus home at noon to 25 relatives and friends and Mr. and Mrs. Ruhland left on an afternoon train for Milwaukee, Chicago and Racine. They will be gone a week. The groom is employed as a shipping clerk at the local factory of the Mi Lola Cigar company. His bride has been employed there until recently.

Peterson-Schoonover

Miss Maude M. Schoonover, daughter of Mr. and Mrs. Richard Schoonover, of Amherst, and Vernon L. Peterson, son of Mr. and Mrs. Andrew Peterson of Fond du Lac, were quietly married at St. Paul's Methodist parsonage on Thursday evening at 5:30 o'clock, Rev. G. M. Calhoun performing the ceremony. The couple were unattended. Mr. and Mrs. Peterson will reside at Fond du Lac where the groom holds a position as a dispatcher for the Soo line.

Playman-Alton

Fred M. Playman and Miss Ethel M. Alton were quietly married by Rev. James Blake at the Baptist parsonage Tuesday at 5 p. m. They had no attendants. Mr. Playman is well known as a contrator and has his home on Clark street. Mrs. Playman has been a successful teacher and came here a year or so ago to complete her studies in the Normal school.

Melz-Mielke

Mrs. Theresa Mielke of Glidden, Wis., and William Melz of this city were quietly married at 9 o'clock Monday evening at the home of Mr. and Mrs. Arthur Sherman, 715 Church street. The ceremony was performed by Rev. R. Hudtloff, pastor of St. Paul's Evangelical Lutheran church. The couple were unattended.

Mr. and Mrs. Melz have begun housekeeping at 1233 Church street. The groom is a freight conductor on the Soo line and has been rooming at the Sherman home.

Amherst Women Guests

Lillian Review No. 14, W. B. A., of the Maccabees, entertained at a 6 o'clock dinner at Odd Fellows' hall on North Third street Wednesday evening in honor of Amherst Review No. 67, which was represented by 40 women who came to Stevens Point for the affair. Eighty women were in attendance in all.

A musical program was carried out during the meal, which included vocal solos by Miss Blanche Silverman, who was accompanied on the piano by Miss Ida Kalisky and solo numbers by Miss Lucila Kankrud, who was accompanied by her sister, Miss Evelyn Kankrud. Miss Silverman is employed in Milwaukee but is spending a vacation at her home here.

Cards were played following the banquet, high score for the Amherst delegation being won by Mrs. Linna Johnson and high score for the entire party by Miss Ruby Hoffman of Amherst.

Picnic Dinner

A social, an enjoyable gathering, was held at Clara Isherwood's and Mrs. J. R. Grant's home, Sunday May 1. The following guests were present and enjoyed a beautiful picnic dinner: Mr. and Mrs. R. Newby and family, Mr. and Mrs. J. Herman, Mr. and Mrs. A. Erdman and family, Mrs. F. Taylor, Mrs. A. Bell and Mrs. N. Yorton, all of Stevens Point; Mrs. B. Preville and daughter, Eau Claire; A. Hetzel and family, Spooner; Mr. and Mrs. F. McGown, Mrs. J. Langton and daughter, Mr. and Mrs. L. McGown and family, Mr. and Mrs. F. Taylor, Sr., Mr. and Mrs. F. Taylor, Jr., and family, Mr. and Mrs. L. Derozier and family, Mr. and Mrs. R. Altenburg and family, Mr. and Mrs. B. Hanson and family, Mr. and Mrs. W. Taylor and daughter, Mr. and Mrs. Geo. Isherwood and son, Mrs. Ellen Edwards and Mrs. H. Prain, all of Plover. There were 57 guests at the dinner.

Entertain For Pastor

Mr. and Mrs. F. D. Reynolds entertained the members of the Session of the Presbyterian church, and their wives, at dinner Monday evening at 6:30 o'clock in honor of Rev. Charles Sumner Pier, who arrived recently from Chicago to take charge of the Presbyterian church in this city.

The guests included Rev. Mr. Pier, W. J. Shumway, and Messrs. and Mesdames C. H. McCreedy, J. V. Collins, H. C. Welty, A. H. Halstead, and V. E. Thompson.

The hostess was assisted in serving by her sisters, Mrs. W. B. Buckingham and Mrs. R. K. McDonald.

Hold Spelling Contest

A spelling contest for the town of Carson took place Friday evening, May 6, at the Grover school, district No. 10. Miss Irene Klein of this city is the teacher. Five schools were represented in the contest, which was conducted by Miss Alice Gordon, county superintendent of schools. Grant Verhulst was chairman of the evening. A program given by the schools represented, followed. The contest was won by Miss Margaret Olsen, who represented district No. 10, Grover school.

Ladies of McDill and vicinity who were hostesses at a social held at Mrs. Aaron Porter's home Thursday afternoon and evening are highly gratified over the success of the affair, a large number attending and the neat sum of $48.55 was received. This money will be expended in repairing the fence and having other work done at the McDill cemetery.

AGRICULTURAL NOTES
By the County Agent

Over two hundred bottles of soy bean inoculation have arrived at the office for sale to soy bean growers in Portage county. They are put up by the College of Agriculture and sold at cost, 25c per bottle. One bottle is enough to inoculate half a bushel of soy beans. Farmers can get this material by calling at the office in the court house or at the banks at Almond and Bancroft.

Large growers of soy beans have already begun to plant. Men who have only a small acreage may delay a few days without injury—in fact, last year late planted beans yielded better than the early ones. For hay as well as seed, northern grown seed is recommended. Ito San is a variety larger and later than Early Black which is good for hay or silage with corn. It has yellow seed. It will be ready to cut for hay before Mammoth Yellow and will have more feeding value than the latter. It is easier to cure for hay. Early Black is still our standard variety and the only one of which northern grown seed is easily procured. It will produce hay even when planted up to the middle of June or later.

The first annual sale of the Waupaca Guernsey Breeders' association held at Waupaca on May 5, was well attended. The weather was favorable and the offerings brought good prices considering present conditions. A number of buyers from outside Waupaca county were active bidders.

Prices for grade Guernseys seem to be holding a fairly good average. The highest price received for grades in a long time in this part of the state was paid by John Frederickson of Blair, Wis., recently. Four cows from Matt Domaszek and one from Bernard Waller brought $200 each, and since the buyer probably intended to re-sell them it is evident that some purchasers are willing to pay for quality and production. These cows have been under test in the Nelsonville-Amherst sow testing association and their capacity for production cannot be questioned, which is undoubtedly the reason for the price they brought.

Several carloads of grade Guernseys have been shipped from around Amherst recently by buyers. Prices paid ran from $65 up. A buyer for a certified milk plant near Detroit bought two federal accredited herds near Waupaca last week, paying $150 straight through.

Portage county Guernsey men will hold their first annual purebred sale on Wednesday, May 25, to be followed by a sale of grade females and purebred bulls on the next day. The animals are all of excellent quality and many of the purebred females sold the first day have A. R. records or are from A. R. dams. It is felt that the average quality of offerings is above the usual run of county sales, as it is undisputed that Portage county's Guernsey herds will rank high among Wisconsin's holdings of this breed.

Holstein men in the county are busy organizing for the betterment of the breed and general dairy conditions in several localities in the county. Rudolph, Junction City, Rosholt, New Hope and Buena Vista have already organized local Holstein clubs and have planned work for this season. Three other localities are considering the plan of organizing. Buena Vista met recently and appointed committees on cow-testing associations and on purchase of feed. They will cooperate with Guernsey and Jersey breeders in both matters.

Kenesaw Mountain is in Georgia.

Kenesaw mountain is in Cobb county, Ga., 25 miles northwest of Atlanta. It was the scene of fighting between the federals under Sherman and the Confederates under Johnston in June, 1864.

HANGS HERSELF IN THE WOODS NEAR HER HOME

BODY OF POPULAR YOUNG LADY WHO FORMERLY RESIDED HERE IS FOUND BY SEARCHING PARTY

VICTIM DESPONDENT OVER POOR HEALTH

SUFFERS NERVOUS BREAKDOWN BECAUSE OF OVER-STUDY WHILE TEACHING IN ILLINOIS

Miss Etel Gavin, a former Stevens Point young lady and well known in this city, committed suicide by hanging near her home at Mellen on Wednesday evening.

Miss Gavin disappeared from her home early in the evening and a searching party which spent the night looking for her found the body hanging from a tree in the woods near Mellen this morning, according to word received here.

A telegram received at 11:30 o'clock this morning by John Reton, an uncle of Miss Gavin, confirmed word of her death and stated that the funeral would be held in Stevens Point. No details regarding her death were given, the message stating that a letter would follow.

In Poor Health

Relatives in Stevens Point knew that Miss Gavin had been in poor health, suffering from a nervous breakdown, and her act in taking her life is believed to have been prompted by despondency which was caused by over-study. She was an instructor at Glencoe, Ill., and in addition to carrying on her teaching duties had kept up a course of study at the University of Chicago, graduating at Christmas time, when she was awarded a degree. She continued her school work at Glencoe and at Easter spent her spring vacation at Fond du Lac receiving treatment from her uncle, Dr. Edward Gavin. Local relatives who were shocked upon learning of her death, did not know that she had gone to her home at Mellen and it is believed that she went there from Glencoe only recently.

Born in This City

Miss Gavin was 28 years of age and was born in this city. Her parents are Mr. and Mrs. William J. Gavin the former a passenger conductor on the Soo line between Mellen and Bessemer. There are three other daughters and one son in the family. They are Mrs. Oswald Koch of Osceola, Wis., Miss Anne Gavin, a teacher in the Fond du Lac public schools, Miss Esther, at the family home at Mellen and a senior in the Mellen High school, and William Gavin, Jr., a student at Whitewater State Normal.

Attended School Here

The late Miss Gavin attended St Stephen's parochial school here when a girl and was afterwards a student at the Stevens Point High school The family removed from here to Abbotsford, where she completed her High school education and upon their removal to Minneapolis she was a student for a time at the University of Minnesota. She attended and was graduated from Miss Wood's kindergarten school in that city. The Gavin family returned to Stevens Point and Miss Ethel attended one summer session at the State Normal. She then went to Fond du Lac to accept a position as supervisor of kindergarten work, holding that position for two years. The following year was spent in Minneapolis where she taught for a time in Miss Wood's school and also was supervsor of kindergarten work in Minneapolis public schools. In 1919 she accepted a teaching position in Glencoe, Ill., this being her third school year there She had spent her summers as a student at the University of Chicago. The family moved from Stevens Point to Mellen four or five years ago.

Was Social Favorite

Miss Gavin's death will be sincerely regretted by hundreds of local friends. She possessed a lovely character and was a social favorite while a resident of this city. Her talent displayed itself especially in the kindergarten supervision work in which she specialized, and in which she showed exceptional ability.

Gave Up School Work

Three weeks ago Miss Gavin went to her home at Mellen from Glencoe Ill., where she had taught school for the past three years. She was suffering from a nervous breakdown and doctors said that unless she had rest and quiet she would collapse. On Wednesday afternoon she put on her hat and coat and announcing that she was going out into the woods for a walk, left the house. She had often gone into the pine woods nearby so none of the family was surprised when she went again Wednesday. She needed the exercise, she told them.

Fails to Return

At supper time Miss Gavin failed to return. Darkness descended, and still she did not appear. The family became alarmed. Word of her disappearance was circulated and a searching party organized to scour the woods. They hunted through the night, but failed to find a trace of the missing school teacher.

Early Thursday morning Mayor Priebnow of Mellen called for another band of searchers. The Mellen State bank was closed and the local school dismissed to add to the number of searchers. By 9 o'clock between 300 and 400 people had been assembled. They separated into groups and began to comb the woods. Lakes nearby were visited. It was planned to thoroughly search the woods within a radius of nine miles from the village. At about 10 o'clock the body was found. It was suspended from a limb of a tree, with a rope around the neck.

Despondent Over Illness

Fellow teachers in the Glencoe public schools on Thursday could offer no motive for the suicide of Miss Ethel Gavin other than that she had possibly suffered a complete mental breakdown from overwork, according to a dispatch from Chicago. This was the theory advanced by local relatives, who knew that Miss Gavin had not been in the best of health because of over-study and over-work

"Miss Gavin left here three weeks ago on a leave of absence after she had suffered a nervous breakdown," said Principal Ryan of the Glencoe public schools. "Her work had been satisfactory and I know of no reason why she should have taken her own life We are greatly grieved to hear of Miss Gavin's death." She taught in the second grade at Glencoe and was connected with the schools for over two years. Miss Gavin was said to have been one of the most popular teachers there. She lived at Glen Tables, a teachers' home at Glencoe.

The Chicago Tribune today contained a story on Miss Gavin's death. The story in part follows:

"Miss Ethel Gavin, a young woman for whom a whole town hunted, was found yesterday morning, dead—hanging from a tree in the woods.

"Miss Gavin, a school teacher on leave of absence from Glencoe, Ill had gone to her mother's home in Mellen, Wis., to rest and win back her health.

Searching Parties Formed

"The town was fond and proud of her. Wednesday noon she disappeared. Wednesday evening searching parties were organized under the direction of Mayor Priebnow.

"There were few left in town when the searching parties went through the woods, the meadows, and all surrounding countryside. Yesterday the business houses, the banks, the schools shut down that the search for Ethel Gavin might continue.

Whole Town Mourns

"The bells tolled when the body was taken into town; shots were fired; alarms were sounded. The whole town collected, and wept.

"It was ill health that made her take her life, the town of Mellen says She came back home to die."

OBITUARY

Mrs. Minnie Zynda

Mrs. Minnie Zynda passed away at the home of her daughter, Mrs. John Witkowski, 216 Madison street, at 11 p. m., May 3. She had been a sufferer for a year with cancer and dropsy and for the past six weeks had been confined to her bed.

Mrs. Zynda was born in German-Poland 62 years ago and resided there until after her marriage. When she and her husband came to this country nearly 40 years ago, they located in Portage county, residing in the town of Alban for many years and later moving to Springville, finally coming to Stevens Point four years ago. Mr. Zynda died in this city on May 2, 1919

The surviving relatives include nine children as follows: Mrs. Frank Szynkowiak of Linwood, Mrs. John Witkowski, Leo, Peter, John and Anton Zynda, all of Stevens Point, Charles and Paul of Springville and Albert of Milwaukee. One sister and three brothers in German-Poland also survive

The funeral was held Friday morning at 9 o'clock from St. Joseph's Catholic church, Rev. H. J. Ehr officiating and interment following in the parish cemetery.

Elizabeth Hauden

Illness which afflicted her on the train while returning from California resulted in the death at 4:15 o'clock p. m., May 3, of Elizabeth Hauden, youngest child of Mr. and Mrs O J Hauden, 713 Center avenue

The child her mother, her sister, Edith, her brother Edward and her grandmother, Mrs. William Reichelt, had been spending three months in Los Angeles where they were guests of Mrs. Hauden's brother, Erdman Reichelt. They left Los Angeles last Wednesday morning. Early Thursday morning while in Arizona, the little girl showed signs of illness, but her condition did not appear to be serious. On arrival home Sunday morning a doctor was called and diagnosed her [illegible] as diphtheria, but despite all that could be done for her, she steadily declined.

Mr. and Mrs. Hauden have five other children, Mrs. J. M. Ward of Hoquaim, Wash., and Helen, Edward, Edith and Wilfred at home. Elizabeth was five years of age last Christmas day.

The funeral was held Thursday afternoon at 4 o'clock from the residence, Rev. James Blake officiating. Burial was in Forest cemetery beside a brother of the deceased, William, who died in infancy 17 years ago.

Kussman Funeral

The funeral of the late Gotlieb Kussman, who died on his farm in the town of Stockton Sunday afternoon, was held from the family home and from St. Paul's Lutheran church in this city on Tuesday afternoon. Rev. R. Hudtloff officiated and interment followed in Forest cemetery. The casket bearers were M. O'Keefe, Peter Koltz, Michael Gosh, William and James Lewis and A. W. Breitenstein.

Mrs. Charles Holbrook

Mary Louise Holbrook, widow of Charles Holbrook, a former chairman of Carson township, died at her home in the town of Eau Pleine at 8 o'clock Wednesday evening. She had been in poor health for eleven years but was able to be up and about the house until three weeks ago. Death was the direct result of a general breakdown caused by her advanced age.

Mary Louise Scherer was born at Cincinnati, Ohio, 78 years ago the 3d of last August and was married at the age of seventeen to Charles Holbrook. They came to Portage county in 1880 and the family lived at and near Junction City for the following 18 years. Mr. Holbrook passed away in February, 1896. A couple of years later the widow moved to Eau Pleine and had since resided with her son, William Holbrook.

Of 10 children born to Mr. and Mrs. Holbrook seven survive their parents. They are Mrs. Peter Kummer of Eau Pleine, Mrs. Frank Russell of Park Falls, Mrs. Jacob Soviinsky of Portland, Ore., William of Eau Pleine, John of Mosinee, Mrs. Fay Welton of Duluth and Charles Holbrook of Vancouver, B. C. The deceased lady also leaves two brothers, Jacob Scherer of La Porte, Ind., and Peter Scherer of Milwaukee.

All the children except Charles will attend the funeral, which will be held at the William Holbrook home at 1 o'clock Saturday afternoon, conducted by Rev. James Blake of this city. The remains will then be brought here for interment beside her husband and children in Forest cemetery.

Child Is Buried

The funeral of Evelyn Lorraine, daughter of Mr. and Mrs. Harry B. Brooks, who died Tuesday morning, was held at 9:30 o'clock this morning from the family home and at 10 o'clock from St. Paul's Evangelical Lutheran church, Rev. R. Hudtloff officiating. Six girls of the Sunday school sang at the church and four others were flower girls. Those who carried the casket were Evelyn Redfield, Erna Gosse, Mollie Price and Louise Mann. Interment followed in Forest cemetery.

T. J. Wright

Thomas Jefferson Wright, a brother-in-law of Mrs. Olive Miller, 452 Church street and a former resident of this city, passed away at the Wisconsin Veterans' home, Waupaca, Friday. A telegram received by Mrs. Miller announced his death.

Mr. Wright who was 78 years of age, had been in poor health for several weeks and was recently a patient at the hospital conducted in connection with the Waupaca institution. He was afflicted with cancer and during the past week his condition was critical.

The deceased was born in Oshkosh, where he spent his boyhood. At the age of 17 years he enlisted as a drum major in the Civil war, serving until its close. Returning to Oshkosh, he was married some years later to Miss Elizabeth Skinner. The family came to Stevens Point to reside 46 years ago.

Mr. Wright conducted a gun shop on Main street here for a number of years, later entering government service as a railway mail clerk on the Wisconsin Central road and serving for many years on the Portage branch. His headquarters were in Neenah and more than 20 years ago the family removed to that city Mr. Wright had spent the past 10 years at the Veterans' home.

The surviving relatives include the widow and four sons, Adelbert and Fred of Green Bay, William H of Menominee, Mich., and Claud Wright of Manchester, Ia The late Mr Wright was a member of the Masonic order, belonging to a Neenah lodge, was a member of the G. A. R at Neenah, and of Shaurette lodge No 92, I. O. O. F. He was one of the first members of Shaurette lodge

The remains were taken to his former home at Oshkosh for burial Mrs Miller and daughter, Miss Georgiana, of this city attended the funeral.

John Zalewski

John Zalewski, aged 88 years died at the home of his son Joseph Zalewski in the town of Guenther, Marathon county, Thursday morning at 11 45 o'clock He had been confined to his bed since Christmas with asthma and [illegible] due to old age

The deceased was born in Russian-Poland [illegible] to the United States with his family 21 years ago, locating at once in the town of Knowlton a part of which now forms part of the town of Guenther His wife died three years [illegible] children survive: Miss Angeline Zalewski at home, John, Jr., of the town of Dewey, Joseph of the town of Guenther, Alexander of the town of Hull and Mrs. Alex Donowicz and Mrs. Leo Byhniewicz of Elizabethtown, N. Y.

The funeral was held from St. Frances' Catholic church at Knowlton on Sunday, the pastor, Rev. Mr. Szymczak officiating and burial following in the parish cemetery.

Henry Norton Funeral

The funeral of the late Henry W. Norton, well known Portage county resident and former chairman of Plover township, who died at his home east of McDill Wednesday morning, was held from the family home Friday afternoon. Rev. James Blake officiated and burial followed in the McDill cemetery. The casket bearers were Ganes Aldrich, Waldo Calkins, Thomas Cale and Hanley Shannon.

Herman Borchardt

Herman Borchardt, aged 68, a resident of the town of Buena Vista, died at 10 o'clock Friday evening at St. Michael's hospital in this city. Mr. Borchardt had been a patient at the hospital for nearly three months, suffering from abscess of the lungs, and his condition was critical from the first. The body was taken to Buena Vista for burial.

Zynda Funeral

The funeral of the late Mrs. Minnie Zynda, who died at the home of her daughter, Mrs. John Witkowski, 216 Madison street, on Tuesday, was held from St. Joseph's Catholic church at 9 o'clock Friday morning. Rev. H. J. Ehr officiated and burial followed in the parish cemetery. Many friends of the deceased from Rosholt and vicinity were here to attend the funeral and the casket bearers were chosen from among them.

Death of Infant

Mr. and Mrs. H. C. R. Bailey, who recently moved from Fredonia, Ill., to a farm they purchased near Meehan, are mourning the loss of a two days' old infant daughter, Elsie Clara, Funeral services were held from the home Friday afternoon at 1:30 o'clock. Rev. F. H. Kretzschmar, pastor of the East Side Lutheran church of Wisconsin Rapids, officiating. The remains were taken to the Rapids for interment in Forest Hill Cemetery.

Death of Child

Earl Smith, Jr., Son of Mr. and Mrs. Earl Smith, passed away at the family home on Minnesota avenue on April 30, aged eight weeks. Death was caused by yellow jaundice. Services were conducted from the home the same day, Rev. J T. Fish officiating and burial following in Forest cemetery. Besides the parents, there is one surviving child in the family, a son, Lloyd.

Child is Buried

The remains of Elizabeth Hauden, five year old daughter of Mr. and Mrs. O. J. Hauden, 713 Center avenue, who died of diphtheria at the family home on Tuesday afternoon, were laid to rest in Forest cemetery Wednesday afternoon following a private service at the residence. Rev. James Blake officiated.

Mrs. Freelove B. Rait

Word has just been received in the city of the death of Mrs. Freelove B. Rait, wife of the late Alexander C. Rait, at the home of her son Ralph Rait, Bellingham, Washington, at an early hour on the morning of April 26, 1921, at the age of 88 years. Mrs. Rait was for many years a resident of Lanark, Portage county, where she had a large circle of friends. She was laid to rest in Bay View cemetery, Bellingham.

Ethel Gavin's Funeral

The kindly regard felt for the late Miss Ethel Gavin and members of her family was again manifested on Saturday afternoon, when funeral services for the young lady were conducted at St. Stephen's church. Nearly every seat in the large edifice was filled by sorrowing friends. Prayers were offered by the pastor, Rev. Jas. C. Hogan, who also extended words of consolation and comfort to the bereaved. One of the largest corteges seen here in many months accompanied the remains to St. Stephen's cemetery, where interment took place. The casket bearers were Chas. H. Cashin, W. R. Cook, Byron J. Carpenter, E. G. Bach, Ray Clark and Dr. W. R. Cashin.

Among those from away who attended were Mrs. A. J. Meyers and Owen Hughes of Abbotsford, Mr. and Mrs. Ed Hayes of Marshfield, Chas. Gavin of Milwaukee, Mr. and Mrs. John Bullard, L. J. Bryan and Miss Dorothy Hopper of Mellen.

Mrs. Holbrook Buried

The funeral of the late Mrs. Mary Louise Holbrook, who died at her home in the town of Eau Pleine last Wednesday evening, was held from the home of her son, William Holbrook in Eau Pleine Saturday afternoon. Rev. James Blake of this city officiated and the remains were brought to Forest cemetery in this city for interment. The casket bearers were Peter Kummer, George Wolf, William Koch and Jake Olson.

Cynical Definition.

"A bachelor," remarks a disappointed lady, "is a man who lives alone with the one he loves."

Rev. and Mrs. S. N. Wilson returned home Saturday morning after an absence of six weeks, during which they visited at Washington, Cincinnati, Columbus and Detroit. Their daughter, Mrs. H. A. Vedder, and three children, Jeanette, Lillian and Virginia, of Marshfield, came to Stevens Point Saturday to welcome them home. Mrs. Vedder and daughter, Virginia, returned to Marshfield this morning, but the two older children remained until late this afternoon.

MONEY IS ENERGY

The money you earn represents time and effort. Extravagance in spending it means wasted energy. Thrift has a double benefit. It conserves both money and effort.

Many people reach advanced years with nothing to show for a life time of work, simply because they have not learned the importance of Thrift.

Don't let your effort go for nothing. Put aside regularly a part of the money you earn and build for the future.

TO CELEBRATE IN THIS CITY MAY 13 AND 14

TWO DAY FESTIVITIES BEING PLANNED TO STRENGTHEN GOOD FEELING BETWEEN CITY AND COUNTY

BURN OLD MAN GLOOM ON NIGHT OF 13TH

CARNIVAL AND MERRY-MAKING TO FOLLOW AND BOOSTER BABY WILL ARRIVE NEXT MORNING

The Stevens Point Chamber of Commerce today announced plans for a two day booster celebration on Friday, May 13 and Saturday, May 14, which gives promise of being one of the biggest public demonstrations ever held in central Wisconsin.

The occasion for the celebration is to strengthen the present good feeling between urban and rural communities of Portage county and to show in a practical manner that the joint interests of the farmer and the merchant are identical.

Planned as a mutual benefit for the city and county, the celebration will be absolutely free of charge and arrangements are being made for the entertainment of thousands of farmers as well as thousands of city folks who will be expected to enter into the spirit of the affair and make it one long to be remembered.

Benefits All Classes

Thousands of folders announcing the booster celebration were mailed today from the Chamber of Commerce offices, calling attention to the fact that the knocker is dead and that Stevens Point and Portage county will cremate him, that the booster is born and that the city and county will educate him. Benefits to all classes are strikingly pointed out. The farmer, by co-operating with the merchant and manufacturer, will dispose of his products to the consumer. The merchant, by co-operating with the farmer and manufacturer, will obtain his supplies and secure a market for his goods. The manufacturer, by co-operating with the farmer and merchant, will create what is required for the consumer's needs, and the consumer wants what the farmer, merchant and manufacturer distributes.

The booster celebration will be financed by merchants and other live wires of Stevens Point who have contributed nearly $700, and Secretary Body of the Chamber announces that it was gratifying to find that merchants from every part of the city are unanimous in their support.

The Chamber of Commerce has been secretly making plans for the celebration for the past month and details are already well worked out. A program appropriate to the occasion and replete with fun for both old and young is promised. Stevens Point will present a holiday appearance with many new surprise features on the program.

Plan Funeral Cortege

All day on Friday a true likeness of the typical knocker will be on display in the window of the Boston store, laid out in a casket surrounded by funeral appointments befitting one of his type. At 7:30 o'clock in the evening a funeral cortege will form on the Public square, march east on Main street to Strongs avenue, south to the Soo station, returning on the avenue to Clark street, then west to South second street and north to the square, where a funeral oration will be delivered by Mayor J. N. Welsby. The body of Old Man Knocker will then be cremated with ceremonies.

Arrangements have been made so that during the procession all street lights, store lights and electric signs along the route will be turned out. This will be done, Secretary Body points out, because the ways of Old Man Knocker are such that he cannot stand the light, and as he worked in the dark he will be done away with in the dark.

Carnival to Follow

After the burning of the body, at a pre-arranged signal, all the lights will be turned on and an air of festivity predominate. Plans are being formulated for the funeral procession, which will precede the merry-making, and which will include Battery B, Boy Scouts, 100 business men in Klu Klux Klan garb and school children, with Weber's band at the head, followed directly by the hearse.

During Friday and Saturday the Women of Moosheart Legion will conduct a stand on the Public square, where refreshments will be served to all visitors under the direction of Mesdames A. E. Flugaur, W. C. Kalke and H. C. Clybourn.

Daylight Fire Works

A magnificent display of daylight fireworks will be given during Friday and Saturday, the two days of the celebration, and arrangements have also been made for a merry-go-round and similar attractions. Following the funeral services on Friday evening, a street dance will be held for all comers on Mill street. Appropriate decorations will be provided and the street roped off. Weber's band will be on hand to furnish the music.

Over night the stork will pay a visit to the Rosenow store, leaving a healthy, 14 pound bouncing booster baby, it is announced. The father of the child is Mr. Optimist, who after the 13th will be a familiar figure in Stevens Point, and the infant booster's mother is Mrs. Optimist, formerly Miss Progress.

To Wear Arm Bands

Every live wire is expected to participate in the procession on Friday evening of next week and on Saturday each vbooster will be designated by a white arm band worn throughout the day. The bands may be obtained at the Chamber of Commerce offices and all Stevens Point and Portage county boosters are urged to get them before the celebration begins.

Progressive merchants of the city will arrange suitable window displays and store fronts will present a holiday appearance. Many other new features are being planned which will be in keeping with the nature of the celebration. Those in charge of the big community entertainment point out that it will be but a beginning of continued prosperity for every resident of Stevens Point and Portage county, and that for all future time knocking will be a thing of the past here.

HENRY W. NORTON CLAIMED BY DEATH

FORMER CHAIRMAN OF TOWN OF PLOVER DIES AT HIS HOME EAST OF M'DILL THIS MORNING

Henry W. Norton, prominent in the history of Portage county and who served as chairman of Plover township for several terms, passed away last Wednesday at his farm home a couple of miles east of McDill. Mr. Norton's illness began last fall, when he suffered a stroke of paralysis. A second one followed the latter part of February, since which time he was confined to his bed. All members of his family were with him when the end came, one of the daughters, Mrs. Higgins, reaching here just a few hours before.

Mr. Norton was a native of the Green Mountain state, his birthplace being Cabot, Vt., and the date September 4, 1844, making him over 76 years of age. The family moved to Wisconsin when he was ten years old and located at the head of the Yellowbanks, near McDill, living there a year when the parents took up a homestead a short distance to the east. During the long period of 35 years the deceased made his home on this farm but devoted much of his time to millwright work, in which calling he was regarded as an expert.

He was married 41 years ago to Miss Ella Cooper, who died on April 3, 1898. They were the parents of five children, Olive, Emma, Robert and Myron, at home, and Mrs. Wm. Higgins of Stone Lake. There are also two brothers, Chas. Norton of Tacoma, Wash., and Harvey Norton of Plover.

BUYS LOCAL COTTAGE PLANS IMPROVEMENTS

STRONGS AVENUE HOME IS PURCHASED BY ANTON PRAIN—BELL FAMILY WILL VACATE SOON

Anton Prain, for many years a farmer in Buena Vista but who moved to this city some months ago and has since occupied the Van Buskirk house at 220 Pine street, closed a deal on Saturday whereby he becomes owner of the Mrs. H. E. Edwards cottage and lot at 520 Strongs avenue, now occupied by George W. Bell's family. It is expected that the Bells will be able to secure another house by June 1 when a heating system will be put in the Strongs avenue property, the roof raised to two stories and several sleeping rooms partitioned off on the second floor. When these improvements are completed Mr. Prain and family will take possession of their modern home. The consideration was $3,500.

FORMER PASTOR AT ALBAN TO MAKE TRIP TO ROME

Rev. John M. Pociecha, pastor of Sacred Heart church at Marinette, will be in the party accompanying Archbishop S. G. Messmer of Milwaukee to Rome, sailing from New York June 1. Father Pociecha was formerly pastor of St. Adelbert's church in Alban, this county.

HENRY KELP STRICKEN

Henry Kelp, a son-in-law of Alonzo Myers, suffered a stroke of paralysis on Sunday morning at the Myers house. He was stricken while engaged in shaving himself. His condition was reported to be serious Monday.

THREE INJURED IN COLLISION

STEVENS POINT COUPLE AND WAUSAU WOMAN ARE BADLY HURT IN ACCIDENT AT WAUSAU SUNDAY

LOCAL CAR TURNS TURTLE

MRS. AUGUST BORSKI SUFFERS A BROKEN ARM AND HER AUNT A BROKEN LEG

Two Stevens Point people and one resident of Wausau were severely injured in an automobile accident on one of the principal residential streets of Wausau at 4:30 o'clock Sunday afternoon which might easily have resulted in fatalities. The injured were taken to a hospital in Wausau for medical treatment. They are:

August Borski, Stevens Point, one hand and arm cut and several fingers dislocated.

Mrs. August Borski, Stevens Point, arm broken and body generally bruised.

Mrs. Klorkowski, Wausau, leg badly wrenched.

Children Uninjured

The accident occurred when a Ford touring car driven by August Borski, and a Buick coupe driven by Perry Wilson of Wausau, crashed together at a street intersection. In Mr. Borski's car were his wife, her aunt, Mrs. Klarkowski, and two children. The children escaped injuries. The coupe was occupied by Mr. Wilson, a maid at his home and his two children. None of the occupants of his car were injured.

August Borski had driven to Wausau with his family for a visit at the Klorkowski home and in the afternoon members of the two families started out for a ride. Jacob Borski of this city, a brother of August, and his family had also driven to Wausau Sunday. The car driven by Jacob Borski had just passed the street intersection when the crash occurred. Mr. Wilson, in the coupe, attempted to drive between the two machines, which were a short distance apart. Neither he nor August Borski were able to stop in time to prevent the collision.

Ford Turns Turtle

The Ford car was swung diagonally across the road and turned turtle on the macadam street near a stone curbing. The windshield and top were demolished and other parts of the machine badly wrecked. A front wheel remained hooked to the rear bumper of the coupe, where it had been caught when the crash came. The injured people and the children were removed from underneath the wrecked car and rushed to the hospital at Wausau. Mr. Wilson, who is a son of B. F. Wilson of Wausau, had the right of way on the street upon which he was driving. His machine was undamaged. There were no witnesses to the accident except the occupants of the two cars.

MERCHANT ARRESTED

MARSHFIELD EMPLOYER IS ACCUSED BY GIRL IN HIS EMPLOY

Sensational charges against Leo Rose, proprietor of the largest department store in Marshfield, preferred by Aurelia Eckes, a girl said to have been in his employ, have startled Marshfield.

In her complaint Miss Eckes charges Mr. Rose with having attacked her in an attempt to commit a statutory offense upon her on April 14 last. Mr. Rose is middle aged, married and has a son 21 years old.

Deputy Sheriff Charles Normington of Marshfield served Rose with a warrant on Saturday. Rose appeared before Municipal Judge R. E. Andrews and gave a bond of $1,000 in answer to the charges set forth in the complaint by Miss Eckes.

A hearing has been set for Thursday morning, May 12.

FILLED MILK LOSES

BILL PUTTING A STOP TO IT IS ADOPTED IN THE ASSEMBLY

Madison, Wis., May 5.—The Wisconsin condensory lost in the initial battle over filled milk today in the assembly by a vote of 72 to 6. The lower house order to engrossment the agriculture bill prohibiting the manufacture or sale of evaporated or condensed milk containing cocoanut oil or other foreign fats.

The Ingalls sub-amendment, requiring all milk compounds to be labeled, warning mothers not to use the milk for infants, was rejected by a vote of 30 to 60.

Of the New-Mown Hay.

The New Zealand black pine, says the American Forestry Magazine, has a faint aroma suggesting new-mown hay.

DETOUR ON HIGHWAY 10

TRAVELERS GOING FROM WAUSAU TO MERRILL MUST TAKE HILL ROAD

For the coming summer state highway No. 10 will be changed between Wausau and Merrill, going over what has heretofore been known as the hill road and which has been popular with travelers. The change in the marking has been made and all travel will be diverted until after the grading and surfacing on No. 10 has been complete for five miles south from the Lincoln county line, which work is now in progress. During the time the new highway is in use as No. 10 it will be patrolled and kept in good condition.

BEGIN POURING MONDAY

GRADING FOR LOWER MILE ON ROAD NO. 10 IS COMPLETED

Pouring of concrete on the mile of road graded on No. 10 was begun on Monday. Though there is some fear of the gravel quarries at Waupaca and Lake Emily not being able to supply material as fast as needed, a good quantity is now on hand at the Soo station at Plover ready for transportation over the little railway to the scene of the work. The road is closed south of the Wisconsin Rapids turn, and traffic is detoured to the east to the Hartwell corner, coming back on No. 10 a little below the concrete construction.

Working on Arnott Road

A crew of men under Foreman Orrin Clendenning is busily engaged in building a mile of gravel road on the Arnott-Liberty Corners route, just south of the Whig Prairie school. When completed there will be a first class road from Arnott to the Buena Vista creamery on the Pleasant Valley road. Cashier W. F. Collins of the Arnott bank has arranged with the road foreman in the town of Stockton to grade the remaining portions of the same road from a point a mile north of Arnott to Hunter's corners, where it crosses Road 18. Next year it is expected that gravel will be put on that piece of road, making a complete gravel or macadam highway between the present Road 18 and the Pleasant Valley road, four or five miles from Arnott each way.

Other Crews Out

One county crew is at work on Road 18 west of Amherst Junction, where a new road is to be laid through the hills, $20,000 being available for the work, and another is working in the town of New Hope on the Iola road.

YOUTH STRUCK DOWN ON WHITING AVENUE

NORMAL STUDENT INJURED BY AUTOMOBILE — DRIVER FAILS TO STOP AFTER ACCIDENT

Walter Hintz of the town of Almond, a student at the State Normal school here, was struck down by an automobile on Whiting avenue Thursday evening. He was rendered unconscious by the blow, his head severely cut and other bruuises inflicted on his face, shoulder and one leg. The driver of the car failed to stop. His identity was not learned.

Hintz was a member of a party of several Normal students who had gone on a walk on the "paper mill" road. He was brought back to the city in a car which was nearby at the time of the accident and a physician called to dress his wounds. It was found necessary to take several stitches to close the cut in his head. Hintz was walking near the edge of the concrete road when struck down. A young lady with him, who was farther over to the right just off the concrete, escaped being struck.

Rumors current about the city today were to the effect that a man had been struck and killed by a car on Whiting avenue. These rumors were found to have originated from the accident in which Mr. Hintz was injured. He rooms at the residence of Dr. and Mrs. E. M. Rogers, 702 Clark street.

ATTEND GUERNSEY SALE

PORTAGE COUNTY BREEDERS AT WAUPACA—GOOD DEMAND FOR BEST STOCK

A number of Guernsey breeders from Portage county attended the first annual sale of the Waupaca County Guernsey Breeders' association, held at Waupaca on Thursday.

The sale was a success, reasonably good prices being realized for the offerings considering present market conditions of dairy products. A number of buyers from points outside the county were present and secured many of the best animals offered. It was noticeable that individuals of good dairy type and breed characteristics were actively sought by the buyers.

From present prospects, the cattle to be sold by the Portage county association at Amherst on May 25 will bring at least as good prices as at the Waupaca sale, since a greater proportion of them are from stock which has been officially tested for butter production and has excellen breeding and pedigree.

USED ABUSIVE LANGUAGE

August Bathke, Linwood, pleaded guilty to a charge of using abusive language when arraigned before County Judge Owen Saturday forenoon. He was assessed a fine of $10 and costs of $8, with the alternative of 15 days in jail, and was given until next Friday to pay up. The complaint was filed by August F. Schlenvogt.

It's great to sell a milking machine like this—

It's great to sell a milking machine that the manufacturers back up like they do with the Pine Tree.

Did you ever read the Pine Tree guarantee? It doesn't take up much space but it does mean a lot. Just you read it!

"We guarantee to replace any metal parts that wear out or prove defective from any cause whatsoever within three years from date of purchase."

To get by with a guarantee like that, a machine has got to be made of materials that don't break and wear out, and it must be simple so it will not get out of order.

Every mechanical part of the Pine Tree is machined out of solid brass. The pulsator can't help but work. There is nothing to get out of order because it is so simple. Pine Tree owners will tell you they never miss a milking.

The experiences related by Pine Tree users prove that this milker "stands up" to the guarantee. "Repairs average 5c a month"—"Not a cent's expense in 6 months"—"Not a delay or repair in a year"—these are the kind of reports which prove that *service is built into the Pine Tree*, besides being given after the machine is sold.

I believe that every farmer in this country knows a well made business-like machine when he sees one. That's why I keep saying—

Don't Buy Any Milker Till You See the Pine Tree

Let me show you the exclusive features as illustrated here. These are the things that make the Pine Tree the wonderful success it is.

I'll show you Pine Tree Milkers in actual use. And I will leave you alone to talk with the farmers who will tell you from experience what it will do for you. Really, it is the enthusiasm of Pine Tree users that is selling so many Pine Trees around here.

Drop in and see me or phone me to come out and see you. The time to begin is now. Remember, don't buy any milker till you figure with me.

KNOWLTON PEOPLE TO BOOST BUSINESS

CANNING PLANT MAY BE RE-OPENED SOON AND STATE BANK STARTED—BUILD LIGHTING PLANT

The business men of Knowlton and the farmers of the community held a beneficial meeting at the town hall the latter part of last week. The gathering was called for the purpose of learning the sentiment on the proposal to reopen the pea canning plant there. Frank E. Stare, manager, and Frank Strong of the Wausau Canning company discussed the pea canning industry at length and explained several ways to finance the project. Although no action was taken, the men agreed to take the matter under advisement and come to a conclusion later. It is quite probable that a co-operative company will be formed wherein the farmer will receive pay for his peas as well as a share of the profits.

G. G. Krueger of Wausau, who attended the gathering, was urged to speak on the work of a chamber of commerce and explained its many benefits to a community if coperation and pep are put forth to boost the community. About 20 new families have come to the town to live, and the plan is to make the community attractive for new comers and to develop its opportunities.

Residents of Knowlton have given encouragement to one of their business men to build and operate an electric light plant, which will furnish electric current for the community. The plant will be completed soon, and when the first service is rendered a celebration will be held. A discussion on the establishment of a state bank was held.

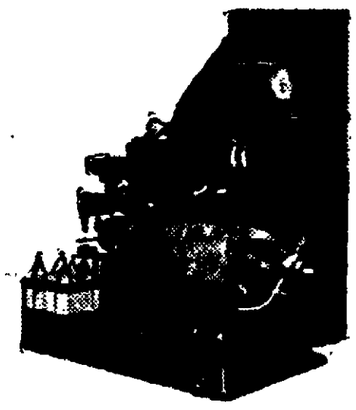
The Standardized Electric Light and Power Plant



Make Your Home Comfortable For Your Wife

A Universal Products Plant Frees Women From the Dreary Drudgery, Which Is Really Un-American

Take the family washing and ironing, for instance—two of the hardest, most depressing tasks American women have had to endure. The Universal Products plant frees the women of the home for all time from the dreaded "blue Monday."

Here is power for many uses in the home and on the farm—for churning butter, doing the churning better, doing the sweeping; the washing; and for pumping water, running the dairy machinery—in fact for all the round of duties that take so much time that can nowadays be put to better use.

And there are hours gained for leisure and comfort and grace of living. Bright, cheerful, genial light — evening pleasanter, the family happier and everybody more comfortable at home.

Universal Products Light and Power keeps workers contented. Its labor-saving economy enables them to actually accomplish more 365 days in the year.

Come in and let us show you this simple, economical plant. It costs less than you think. It produces more than you believe possible. Let us demonstrate some of the 1700 things it will do for you.

Cheating the Fly

Spring brings flies and flies bring trouble to the plowman and his horses. A half dozen persistent horse flies can ruin the pulling power of the best team

The Fordson heeds not the flies. Its steady, powerful pull is the same in and out of fly time. And for the spring and fall plowing it handles the specially built Oliver Plow as only a good plow can be handled.

Present conditions demand that use be made of every efficient method of crop production this year. Fordson farming has cut costs for thousands of other farmers. It will do the same for you.

There are special Oliver Plows built to work with the Fordson in all soils.
